## **5. Director's Report**

### **5.1 Discuss Addition of Prayer to Meeting**

**Board Member Mastruserio moved to open each meeting with a prayer to Jesus Christ. The motion was duly seconded.**

*Attorney Daigneault said the motion as stated suggests a singularly*

*Christian prayer, which is not constitutionally permissible. He cited the memorandum he provided board members and suggested that the prayer be broader and more generalized.*

*Discussion ensued with comments made that a board member should not have to pray to a god they do not believe exists, that consideration should be given to implement language that respects constitutional law and prevents the City from being sued, that this is not the forum to interject religion or politics because the Board is here to do the people's business, and that the courts have recognized the tradition in this country of opening government and non-government meetings with prayer in a manner that does not establish a religion. It was stated that when the Board used to offer a prayer, it was difficult for the Chair to find an individual willing to participate and board members often used a generic written prayer. It was suggested that offering the prayer should be rotated monthly among board members and each board member should have the option to offer the prayer, invite someone from the community, or not offer a prayer.*

*Attorney Daigneault suggested the Board should first determine if it wishes to add an invocation at the beginning of the meeting. If the answer is yes, then determine how it is done.*

**Board Member Mastruserio withdrew his motion.**

*In response to a question, the City Clerk said the city council meeting agenda lists the prayer as an invocation.*

**Board Member Mastruserio moved to open each meeting with an invocation. The motion was duly seconded and carried with the following vote:**

**Ayes:** 5 - Board Member Boutzoukas, Board Member Park, Board Member Hinrichs, Board Member Mastruserio and Board Member Chenault

**Nays:** 2 - Board Member Haudricourt and Board Member Hupp

*In response to questions, Attorney Daigneault offered three procedural options: 1) rotate or assign amongst board members to offer the invocation, 2) individual board members invite an individual to offer the invocation, or 3) city staff schedule members of the local clergy community to offer the invocation. He said the Board may impose a time limit.*

*Discussion ensued with support expressed to have the responsibility to offer a brief invocation be rotated amongst board members or observe a moment of silence.*

**Board Member Park moved to adopt a rotation of members of the board, or their guest, to lead an invocation, a moment of silence or opt out of the opening invocation on a monthly basis for a maximum of 60 seconds. The motion was duly seconded and carried with the following vote:**

**Ayes:** 5 - Board Member Boutzoukas, Board Member Park, Board Member Hinrichs, Board Member Mastruserio and Board Member Chenault

**Nays:** 2 - Board Member Haudricourt and Board Member Hupp

*Staff was directed to share requests to offer the invocation with the Chair and the board member scheduled to offer the prayer.*

**6. Board Members to be Heard – None.**

**7. Adjourn**

*The meeting adjourned at 1:39 p.m.*
