Good Morning Mr. Mayor "George",

I hope the holidays are going well for you and the City of Clearwater Staff, it my favorite time of the year-

I noticed in the paper your search for a Vice Mayor, would this be an opportunity for me to help you? You are aware of my history in building support for an administration and accomplishing goals many thought were not reachable both in my many roles with government and my own business.

With this and if you think I would be a good fit for your staff, I would like you to consider me to fill the position. I think I could be helpful to you and not have any conflict interests or any interest to run for a elected position- just work hard for you and the citizens of Clearwater.

I am available this week if you would like to discuss further and if not, I am happy to lend my support.

Very best regards,

"Tim"

Timothy W. Neubert, MBA, A.A.E.

Hello Mr Mayor,

George I hope you remember me when I used to work with Pinellas County and later starting my own business many years ago and work with you when you were chief of staff for Congressman Young.

I still have my business in Brooksville and reside in Tampa. I am hoping you may have time in the next few weeks to meet with me for a few minutes to hear your opinion regarding my interest and filing to run 4 congressional district 14 here in Tampa.

I feel your inside and opinions would be honest and greatly appreciate to hear your thoughts about this matter, Tim Neubert running for congressional district 14.

If your assistant could provide me a few dates and time I would be able to confirm appointment.

Running a city must be very demanding but I hope a brief moment of your time could be available to meet with me.

Thank you in advance for your consideration and Happy Thanksgiving.

Your friend,

Tim Neubert
