Clearwater, Florida 33761

**RE: Marshall Street Water Reclamation Facility Clarifier Improvements  
City of Clearwater Project No. 24-0066-UT  
Bid Evaluation and Recommendation of Award**

Dear Ms. Pandkar:

Bids were received for the above referenced project by City of Clearwater (City) on January 14<sup>th</sup>, 2026. A total of two (2) Contractors submitted bids for consideration. Bid prices ranged from a high of \$776,366.80 submitted by Caladesi Construction and Development Inc. to a low of \$689,700.00 submitted by Razorback LLC.

AECOM has reviewed Razorback LLC's bid proposal. The bid proposal is complete including proposal bonds and other documentation required by the City. The Florida Department of Business and Professional Regulation's website was used to determine the status of the apparent low bidder's license. Razorback LLC's license is current/active, and no complaints are on file.

Based upon the information provided with the bid, and in consideration of the terms and conditions set forth in the contract documents, Razorback LLC appears to be the apparent responsible, responsive low bidder. AECOM recommends the City to award the contract to Razorback LLC.

Please feel free to contact me at (727) 453-2009 if you have any questions.

Sincerely,

**AECOM**
