S.39 COOPERATIVE USE OF CONTRACT. The City has entered into various cooperative purchasing agreements with other Florida government agencies, including the Tampa Bay Area Purchasing Cooperative. Under a Cooperative Purchasing Agreement, any contract may be extended for use by other municipalities, school districts and government agencies in the State of Florida with the approval of Contractor. Any such usage by other entities must be in accordance with the statutes, codes, ordinances, charter and/or procurement rules and regulations of the respective government agency.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City is not responsible for any disputes arising out of transactions made by others.
