MHU Client Demographics December 2022

This report outlines the client activity of the Mental Health Unit for December. Comparisons will be made to prior months to identify trends and patterns.

There were a total of 179 unique individual clients which were opened for services for December. The demographics of these individuals are shown below:

Demographics	July	August	September	October	November	December
Adult	106	130	90	176	149	157
Juvenile	9	27	16	35	29	22
Totals	115	157	106	211	178	179

Of the 179 unique individuals, there were 62 clients who were opened for services in previous months and were re-engaged due to recidivism (new incident), by request from the client or were a PIC Team follow-up. The remaining 117 individuals were new clients.

Clients Reactivated	July	August	September	October	November	December
Recidivism	37	44	29	59	50	60
Via Request	4	0	1	1	3	1
PIC Team Followup	0	0	0	2	0	1
Totals	41	44	30	62	53	62

Services Offered/Baker Act Diversions/PIC Referrals December 2022

Of the 190 instances in December, services were initially offered 151 times. Services were not initially offered 39 times due to the individual's unstable mental state. There are individuals who were offered services more than once in December.

Services	July	August	September	October	November	December
Accepted Services	30	26	23	44	30	29
Refused Services	11	12	6	15	16	18
Informational Handout	18	23	14	19	21	23
Linked with Community Res.	33	65	47	64	63	76
Lives out of County	0	3	0	2	5	4
Incarcerated	0	0	1	0	0	1
Totals	92	129	91	144	135	151

A total number of 8 unique individuals were diverted in December. The table below shows the breakdown of the diversions completed by MHU Deputies/Officers and MHU CRS'. Duplicated data reflects the individual determination of the MHU Deputies/Officer and MHU CRS'. There were 2 individuals who recidivated within 7 days.

Diverted Baker Acts*	July	Individuals	August	Individuals	September	Individuals	October	Individuals	November	Individuals	December	Individuals
MHU Deputies/Officers	2	2	3	3	3	3	5	6	4	7	4	8
MHU CRS	1		2		2		6		5		4	

There were 76 clients who met PIC criteria. These subjects were either referred to PIC, were unable to be contacted for referral or refused a referral. Of the 35 referrals made, 24 were new referrals to the PIC Team. There were 11 clients identified in a previous month, who were referred in December.

PIC Criteria	July	August	September	October	November	December
Referral	25	20	16	39	29	35
Unable to Contact	15	22	9	38	24	19
Refused	20	13	13	27	15	22
Totals	60	55	38	104	68	76

*Source: Techcare All Patient Report and Follow-up Report

**The same individual may be counted in the totals for CRS and MHU Deputies/Officers if the criteria for Diversion for each was met.
