BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

To meet periodically to hear evidence of certain illegal activities and to seek abatement of these activities. Specific properties in the gateway areas have forced the creation of this board.

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Yes, I have attended Clearwater, Largo and County board meetings over the last decade, as well as reviewed them on C-View.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I am an Industrial Safety Trainer specializing in heavy fork and man lifts for the last 12 years. Communication skills and attention to jobsite safety are the core for completing the training. I have owned two different properties along the Clearwater/Largo Rd corridor over the last decade and witnessed first hand problems identical to the Gulf-to-Bay situations. Drugs, prostitution and vagrancy are still present in many locations.

4. Why do you want to serve on this Board?

I have an interest in becoming more active in my city and county governments. Clearwater is to portal to our beaches and can be cleaned up to reflect what a good city it is.
