BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

The board is required to set the policies for the Housing Authority, make financial decisions with respect to the budget and future financial planning, and assist in macromanagement of the CHA's portfolio.

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

I have not, but I intend on attending a board meeting prior to my term as preparation if I am selected.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I believe that my legal background will provide some diversity to the current board. In addition, my business background has given me experience with financial records as well as making decisions based on such records. Finally, I am very familiar with Clearwater from working here since 2012, living here, and from growing up near Clearwater.

4. Why do you want to serve on this Board?

The Housing Authority is a wonderful and needed board that serves its community by providing important services. I would like to be able to assist these worthwhile services in any way that I can, as a way of giving back to a community that has given me so much.
