**Have you served or do you serve on a board in Clearwater?**

Yes  No

**If yes, please list the name of the board.**

**Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.**

---

I would be honored to serve on the Public Art & Design Advisory Board because I care deeply about the role art plays in shaping vibrant, inspiring communities. As a professional artist for nearly five decades, I have gained practical experience creating murals, public art installations, and exhibiting throughout Florida. Clearwater has a growing and exciting arts community, and I would value the opportunity to contribute my experience to help support thoughtful public art projects that enrich the city and make art accessible to everyone. I believe public art brings beauty, identity, and inspiration to shared spaces, and I would enjoy working collaboratively with the board to help strengthen Clearwater's cultural landscape.

**What personal qualifications can you bring to this board or committee?**

---

I have been a professional working artist for nearly five decades, with experience across multiple mediums including stained and etched glass, murals, oil and mixed-media painting, window painting, and commissioned artwork. My work has been exhibited in solo and group exhibitions throughout Florida, and I have received numerous awards and recognitions in juried shows. I have also completed public art projects, including signal box installations in Clearwater and Seminole, as well as large-scale murals for businesses, educational institutions, and public spaces. This range of experience has given me practical insight into the creative process, the needs of working artists, and the importance of thoughtful public art planning within a community.

**List Community Activities**

---

I have been involved in several community-oriented activities and volunteer efforts. Through volunteer minister programs, I participated in post-hurricane cleanup efforts and helped distribute supplies to those in need. I have also supported community initiatives connected with The Way to Happiness program. In addition, I have donated my time and artwork to local neighborhood initiatives and fundraising efforts that support community causes. I currently exhibit artwork at the Bathmasters Community Hub Gallery / Forging the Future space, which is developing a large venue intended to support artists, local events and nonprofit fundraisers. I remain active in the local arts community through exhibitions and public art participation, including solo exhibitions at the Clearwater Main Library and Nature's Food Patch in 2025.
