BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities? _

It is my understanding the board's duties and responsibilities include the intention to promote, protect, and improve the public health, safety, and welfare of the residents in the City of Clearwater. The board offers an effective, inexpensive way of enforcing codes within the City concerning fire, Business Tax Receipts, building, zoning, signs, and other City codes.

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Yes.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I've worked in the land development profession for over 10 years providing site planning, master planning, roadway design, landscape design, irrigation design, urban design, and external hardscape detailing for large scale projects encompassing thousands of acres to smaller residential sites of 1 acre or less. As part of my job, I regularly refer to City codes and prepare project permit plans for City and County review.

4. Why do you want to serve on this Board?

I wish to be involved with the City of Clearwater and offer my time and expertise within a City I reside, work, and care for. I look forward to having the opportunity to be engaged with the City in efforts to promote, protect, and improve public health, safety, and welfare.
