As a member of the Environmental Advisory Board since 2020, I have contributed to the Board's success in addressing topics such as the prohibition of cigarette smoking in Clearwater public beaches and parks, a water management plan to clean up Lake Bellevue, development of the Greenprint 2.0 Resiliency and Sustainability Plan, input into the city's tree maintenance and re-planting program, progress in achieving the city's energy efficiency and renewable energy goals, and the transition for the city's light duty vehicles to hybrids and EVs to name a few. A President of the Morningside-Meadows Homeowners Association for the last 8 years, I have worked closely with the Morningside Recreation Complex to plan community events, and with Clearwater Parks and Recreation Division to maintain city services to our neighborhood.
