## Questionnaire

**Question 1.** What is your understanding of the duties and responsibilities of the Board(s)?

**Answer 1.\*** The Library Board advises the City Council on policies related to the activities and programs of the Clearwater Library.

**Question 2.** Have you ever observed a board meeting either in person or on C-View, the City's TV station?

**Answer 2.\*** ☒ Yes ☐ No

**Question 3.** What background, experience, or education qualifies you to serve on the Board(s)?

**Answer 3.\*** I have an avid interest in the library system and see the library as a great resource for community members. I am currently a graduate student at the doctoral level in nursing and am aware that the public library can be a resource for information on public health and allows Internet access to those that may not be able to afford the service otherwise. The Internet is a great resource for information that enriches a community. My husband and I also owned an art gallery in the past and I see the library as a place to expose all types of people to art and encourage participation in such activities.

**Question 4.** Why do you want to serve on the Board(s)?

**Answer 4.\*** I like to be a resource for others and an advocate for community services and programs that enrich the lives of others. I like participating in community activities. I was recently appointed to the Library Board to fill a vacated term and would like to continue as I really just started.
