

Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.

Over the last 25 years I have watched this City develop and prosper! I have seen our direction shift through the years and I feel I have had the opportunity to truly understand our citizens wants and desires for it's future years. From its first high rise hotel on Clearwater Beach, controversial development on Sand Key and redevelopment on the Bluff-not to mention a very few--I've seen and felt the city's pulse on these issues and in some cases been actively involved either on a Board or committee. Why get involved? To share my experience and knowledge for the City's benefit and growth!

What personal qualifications can you bring to this board or committee?

I am a very forward thinking person with sound judgement. I appreciate and look forward to change and diversity where necessary!
