Subject: Support for Howard Warshauer as Interim Councilmember

Dear Mr. Mayor and Clearwater City Councilmembers,

I have known Howard Warshauer for over 12 years and found him to care deeply for the City of Clearwater. His passion, commitment and dedication towards making things better in Clearwater is tireless. Since I have known him he has served and volunteered on numerous nonprofit boards in a leadership capacity.

He helped to establish the Clearwater Downtown Partnership, served as president of the Clearwater Neighborhoods Coalition and the Coachman Park Enhancement Committee. He is very familiar with the Imagine Clearwater project and served as a stakeholder during the initial phases of this project.

In addition to his Clearwater involvement he brings experience as a City Commissioner of the City of West Palm Beach, FL. He served four terms in that capacity and is familiar with Florida's Sunshine Laws.

I hope that you will consider Howard as a choice for the position for Clearwater City Councilmember.

Thank you very much.

Sincerely,
Carl Schrader
