RE: **Decommissioning Underground Refuse 25-0034-SW**

As requested, enclosed is the proposal for construction/demolition of the underground trash/recycle bins at BayCare Ballpark located at 601 N. Old Coachman Rd. Clearwater FL, 33765, submitted in accordance with site visits with City Project Manager for a Guaranteed Maximum Price of **\$20,776**.

**Scope of Work:**

Remove one existing underground trash and one underground recycle receptacle located near the west entrance of the BayCare Ballpark. Receptacles will be set aside for City pick up. Punch multiple holes in bottom of concrete vault to prevent water accumulation and allow proper drainage. Backfill with compactable fill material compacted in 12" lifts to a 95% compaction level. The last four (4) lifts of fill material to be tested by a certified independent third-party testing lab. Remove exposed steel angle frame, cut top of vault walls approximately 6" below finish concrete grade, furnish and place 6" of 3000 psi concrete with fiber or wire mesh and provide a broom finish.
