Electronic Record and Signature Disclosure

Your Consent to Use Electronic Records and Signatures

From time to time, the Southwest Florida Water Management District ("District") may provide you with certain agreements. The federal E-SIGN Act and the Florida Uniform Electronic Transaction Act, Chapter 668, Florida Statutes, allow the District to provide you these agreements electronically and the use of electronic signatures with your consent. Described below are the terms and conditions for providing you such agreements electronically as well as for the use of electronic signatures. This consent relates to your agreement with the District and any associated electronic signatures. If you consent to receive your agreement electronically and to use electronic signatures, you must keep your email address up to date by notifying ESignQuestions at ESignQuestions@swfwmd.state.fl.us of any changes to your contact information.

Please read the information below thoroughly and, if you can access this information electronically to your satisfaction, please confirm your acceptance and understanding that your electronic signature executed in conjunction with the electronic submission of your agreement shall be legally binding and such transaction shall be considered authorized by you by clicking the "I consent to use Electronic Records and Signatures" box located on the previous page. If you do not agree to use electronic signatures, click the link under "Other Options" to print and sign the agreement.

Right to Have Records Provided on Paper

At any time, you may request from the District paper copies of any of your agreements at no cost to you. You may request delivery of paper copies by contacting ESignQuestions at ESignQuestions@swfwmd.state.fl.us. Additionally, following your signing session, you will have the ability to download and print your agreement through the DocuSign, Inc. ("DocuSign") system. You will receive an email with a link to access your agreement within the DocuSign system.

Right to Withdraw Your Consent to Receive Electronic Records; Consequences

If you agree to receive your agreement electronically and use electronic signatures, you have the right to withdraw your consent at any time and at no cost to you. You must inform the District of your decision by ESignQuestions at ESignQuestions@swfwmd.state.fl.us. Please include your contact information and the agreement number you are declining to sign electronically in your withdrawal notice. If you elect to receive your agreement only in paper format, or refuse to sign electronically, it may slow down the speed at which you receive documents or information.

Hardware and Software Minimum Requirements

To access and retain your agreement, you will need the following:

Operating Systems:	Windows 2000 or Windows XP
Browsers (for SENDERS):	Internet Explorer 6.0 or above
Browsers (for SIGNERS):	Internet Explorer 6.0, Mozilla Firefox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enable Security Settings:	Allow per session cookies Users accessing internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection

These minimum requirements are subject to change. If these requirements change such that you may not be able to access or retain the electronic records, we will provide you with an email message at the email address we have on file for you, providing you with the revised hardware and software requirements. At that time, you will have the right to withdraw your consent to receive documents electronically.
