Proposal Submitted To:

Tim and Tori

Project:

1215 N. MLK JR. Ave  
Clearwater, Fl.

Description

This is for new dark bronze aluminum store front single doors at the above address. Doors will have Mfg. standard door hardware package. Door, door frame, glass, door closer, key cylinder, rain sweeps bottom threshold, Pull handle and push bar.

Supply and Install

HURRICANE impact door and glass \$6,800.00 plus sales tax.

Non Hurricane door with 1/4 thick laminated glass \$4,500.00 plus sales tax.

Note: gave you two prices by code it should be replaced with a hurricane system. Not sure what you wanted to spend so I gave you the non hurricane with a Impact glass. Also these are standard size doors not custom size so the inside Sheet rock walls need to be cut back so we can install the doors from the interior Because the exterior the concrete is covering the door frame. spoke to Tim about it.

Thank You  
Charles Cassara

We invite the early acceptance of this proposal.

# Construction Licensing Board

Pinellas County

## Contractor Search

State-certified contractors are no longer required to register with the Pinellas County Construction Licensing Board. To verify the license status of a state-certified contractor, visit [MyFloridaLicense.com](https://myfloridalicense.com) and use the Verify a License link. Only state-certified contractors with a status of Current, Active or Probation, Active are eligible to work in the state of Florida. Before hiring a contractor, verify that your contractor has valid General Liability and Workers' Compensation insurance or Workers' Compensation Exemption to protect you and any workers on your site. Any contractor working on or over water must also have USL&H insurance.

The PCCLB continues to govern County-certified contractors in a wide range of license classifications and specialties. Use the Contractor Search to find the credentials of all County-certified contractors. Most contractors have their own business. Journeymen are employees of a contractor. **You cannot hire a Journeyman directly.** All Journeymen must work under the supervision of a licensed contractor.

Contractors are required to have a license to work in any of these trades.

**Report unlicensed contracting: (727) 582-6767**

# PINELLAS COUNTY CONSTRUCTION LICENSING BOARD

## IMPORTANT NOTICE TO CONTRACTORS REGARDING SPECIALTY LICENSING IN PINELLAS COUNTY

### Updated May 22, 2024

House Bill 735, The Pre-emption of Local Occupational Licensing, was signed into law by the State of Florida in June 2021. HB 735 was due to eliminate local construction licensing in certain specialty trades effective July 1, 2023.

In May 2023, the State of Florida passed HB 1383 amending the impacts of HB 735. HB 1383 was signed by the Governor on June 20, 2023. HB 1383 extended the effective date of HB 735 from July 1, 2023 to July 1, 2024.

Senate Bill 1142, passed unanimously in the 2024 legislative session and currently awaiting signature of the Governor, extends the effective date of HB 1383 to July 1, 2025.

The Pinellas County Construction Licensing Board, under authority granted to it under Chapter 75-489, Laws of Florida, as amended, and subsequent proposed legislation under HB 1483 (2024), also passed unanimously and awaiting presentation to the Governor for signature, declares the following:

### The following specialty licenses will be eliminated effective July 1, 2024:

A1 - PCCLB Specialty Classification	Class Code
Awning Specialty Contractor <i>Est. 3/18/2008</i>	89

Apologies for the delayed response. Here are the fees: 5/8 MTR TAP \$545.04 - \$323.23 for the reduced pressure backflow device, \$80.00 for the meter deposit, totaling \$948.27. You will need to contact planning to inquire about an impact permit.

Good afternoon,

In addition to the fees below, the impact fee for a 5/8" meter would be \$600 if paid before October 1, 2025.

Thanks,

Hi Paul,

Thank you so much for helping with this estimate. We are looking to place a 2nd meter at 1215 N MLK Jr Ave clearwater, 33755. Existing commercial building has 2 suites and 1 meter looking to provide separate water service for both suites.

Thank you for your assistance with this matter,

Tori Charles
