Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * It is essential a community such as Clearwater offers assistance with housing, works with the city and in fact the Federal government. In person (pre pandemic) meetings are required as well as extra ones for specific concerns. The staff at CHA from the top down are welcoming, helpful and I believe offer a great chance to help all our clients feel welcome and valued. Everyone deserves to feel valued.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * Yes No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * Interest in my community and in particular how our community assists people with housing, whether it be lower income, voucher, rent adjusted.
I have been on this Board four years and have learned from having been and in the process met many members of our community I would normally not and seen what is available for those less fortunate than myself. I am most impressed by what is available and the respect these clients receive and had the honor of meeting the people that make the CHA work so well.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * I wish a second term to follow through and assist in continuing the work the CHA does for our clients. It is a valuable asset the Clearwater Housing Authority offers to our fellow citizens of Clearwater.
