If yes, where is the business located? Do you conduct business with the City?

None

Which Boards would you like to apply for?

Clearwater Housing Authority: Submitted

Rep. Anna Paulina Luna

Employer

District Director

Job Title

Occupation - If retired, enter former occupation.

Government Employee

Have you served or do you serve on a board in Clearwater?

☐ Yes ☒ No

If yes, please list the name of the board.

None

Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.

As a staff member working for Congresswoman Luna, I believe serving on the Clearwater Housing Authority City Advisory Board is a critical opportunity to bridge federal policy with local impact. My role in Congresswoman Luna's office has given me firsthand insight into how federal housing policies, funding allocations, and legislative priorities shape communities like Clearwater. By serving on the advisory board, I can bring this perspective to the table, ensuring that our local housing initiatives align with federal opportunities, such as grants or programs like HUD's Community Development Block Grants. My experience navigating the complexities of federal bureaucracy has equipped me to advocate effectively for Clearwater's residents.

What personal qualifications can you bring to this board or committee?

My professional experience in Congresswoman Luna's office has honed my skills in policy development, constituent engagement, and collaboration with diverse stakeholders, making me well-suited to contribute to the Housing Authority's mission. I have been privileged to have a great relationship with our current Housing Authority director, Neil Brickfield. He is someone who deeply understands the issues that our county faces and I believe that the relationship I have with him could be an asset. I have also developed a strong ability to listen to community concerns, navigate complex governmental processes, and advocate for resources that support local priorities, such as affordable housing.
