INSTRUCTIONS – EVALUATION

- i.22 **EVALUATION PROCESS.** Proposals will be reviewed by a screening committee comprised of City employees. The City staff may or may not initiate discussions with proposers for clarification purposes. Clarification is not an opportunity to change the proposal. Proposers shall not initiate discussions with any City employee or official.
- i.23 **CRITERIA FOR EVALUATION AND AWARD.** The City evaluates three (3) categories of information: responsiveness, responsibility, the technical proposal/price. All proposals must meet the following responsiveness and responsibility criteria.
- a) **Responsiveness.** The City will determine whether the proposal complies with the instructions for submitting proposals including completeness of proposal which encompasses the inclusion of all required attachments and submissions. The City must reject any proposals that are submitted late. Failure to meet other requirements may result in rejection.
 - b) **Responsibility.** The City will determine whether the proposer is one with whom it can or should do business. Factors that the City may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced proposals, past performance, references (including those found outside the proposal), compliance with applicable laws, proposer's record of performance and integrity- e.g. has the proposer been delinquent or unfaithful to any contract with the City, whether the proposer is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A proposer must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. City staff may also use Dun & Bradstreet and/or any generally available industry information. The City reserves the right to inspect and review proposer's facilities, equipment and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.
 - c) **Technical Proposal.** The City will determine how well proposals meet its requirements in terms of the response to the specifications and how well the offer addresses the needs of the project. The City will rank offers using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation.
 - d) If less than three (3) responsive proposals are received, at the City's sole discretion, the proposals may be evaluated using simple comparative analysis instead of any announced method of evaluation, subject to meeting administrative and responsibility requirements.

For this RFP, the criteria that will be evaluated and their relative weights are:

Evaluation Criteria (pages 23-24)	Points
Demonstrated Experience of Firm and Personnel (<i>Tab 2</i>)	30
Methodology and Approach (<i>Tab 3</i>)	30
References (<i>Tab 4</i>)	25

- i.24 **SHORT-LISTING.** The City at its sole discretion may create a short-list of the highest ranked proposals based on evaluation against the evaluation criteria. Short-listed proposers may be invited to give presentations and/or interviews. Upon conclusion of any presentations/interviews, the City will finalize the ranking of shortlisted firms.
- i.25 **PRESENTATIONS/INTERVIEWS** Presentations and/or interviews may be requested at the City's discretion. The location for these presentations and/or interviews will be determined by the City and may be held virtually.
- i.26 **BEST & FINAL OFFERS.** The City may request best & final offers if deemed necessary, and will determine the scope and subject of any best & final request. However, the proposer should not

INSTRUCTIONS – EVALUATION

expect that the City will ask for best & finals and should submit their best offer based on the terms and conditions set forth in this solicitation.

- i.27 **COST JUSTIFICATION.** In the event only one response is received, the City may require that the proposer submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the proposal price is fair and reasonable.
- i.28 **CONTRACT NEGOTIATIONS AND ACCEPTANCE.** Proposer must be prepared for the City to accept the proposal as submitted. If proposer fails to sign all documents necessary to successfully execute the final contract within a reasonable time as specified, or negotiations do not result in an acceptable agreement, the City may reject proposal or revoke the award, and may begin negotiations with another proposer. Final contract terms must be approved or signed by the appropriately authorized City official(s). No binding contract will exist between the proposer and the City until the City executes a written contract or purchase order.
- i.29 **NOTICE OF INTENT TO AWARD.** Notices of the City's intent to award a Contract are posted to Purchasing's website. **It is the proposer's responsibility to check the City of Clearwater's website at <https://www.myclearwater.com/business/rfp> to view relevant RFP information and notices.**
