# Questionnaire

---

**Question 1.** What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. \*  
To assist and offer recommendations to the City of Clearwater regarding the public library functions and objectives. This would include such items as maintaining and sustaining the library as a public repository for all citizens of Clearwater as well as those residing in Pinellas County. To offer ideas, suggestions and recommendations to the City about the library and the role it will play in the future as it pertains to Imagine Clearwater and other projects that will be implemented as we plan for the future.

**Question 2.** Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. \*  
 Yes  No

**Question 3.** What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. \*  
I have worked on many different types of teams to bring to fruition new projects or to revamp existing ones. Upon completing my service at Nielsen Media Research as a product manager I decided to move from the private arena to the public arena. I found it very rewarding to make a difference (hopefully for the better) for specific groups of people or the community in general.

**Question 4.** Why do you want to serve on the Board(s)?

Answer 4. \*  
Having retired two + years ago I have been looking for something to get involved with that would benefit my community. Due to Covid my plans of volunteering have been put on hold as many places are not yet looking to bring back these types of positions. After participating in the Clearwater 101 Citizen's Academy I have often looked into board openings for Clearwater but have not, until now, seen any that would be a good fit for me. I am a regular user of the library and appreciate all it has to offer.
