

## **Selection Memorandum:**

Moffatt & Nichol was selected to provide engineering services for the Harbor Marina Project based on their prior involvement in earlier phases of the project, as well as their extensive familiarity with the site and the overall scope of work. Additionally, Moffatt & Nichol served as design consultants for the Beach Marina Project. They are currently on the City of Clearwater's approved EOR list.

The total estimated construction cost for the Harbor Marina Project is anticipated to remain under \$4,000,000.
