Good Afternoon,

As previously emailed to you from our group our bid verbiage does include verbiage that other government agencies can piggyback our contract but the bidder/contractor marked "No" on their submittal indicating they did not agree to make this contract available (see below):

General Requirements		
1.3.1	In the event an Agreement is executed upon the award of this Invitation to Bid to the Bidder, the County will provide Successful Bidder with a copy of the executed Agreement, if applicable. The County prefers to provide the document via electronic mail (e-mail). However, if Bidder wishes to receive an original hard copy of the executed Agreement, it can be mailed. Indicate the delivery method desired.	Electronic Mail
1.3.2	<p>Pursuant to the SPECIAL TERMS AND CONDITIONS that allows the Contract to be available to all government agencies, departments, and municipalities, does the Bidder agree to make the contract and bid prices submitted available to all government agencies, departments, and municipalities?</p> <p>The Bidder's choice to make the contract available (or not) will NOT be considered in the award of the Bid.</p>	No

Our agency does not have an issue with this piggyback but you would have to work that out with them. The contract term you listed is correct.

Thanks.

Good Morning Kevin,

We are interested in piggybacking on ITB 25-00130 – Overhead Cranes: Inspections, Certifications, Purchases, and Repairs. Wayne, our Public Utilities Infrastructure Maintenance Manager, previously reached out regarding this (see attached email). I'd like to confirm that we are still able to piggyback on this contract.

If so, this item will be presented to City Council for approval. Could you also please confirm that the contract term is from 9/1/2025 through 8/31/2029?

Thank you,

Krissie Cook
