Lori,

As discussed on in our telephone conversation, Trident Pontoons is okay with the modification to item 6 in the contract document labeled "disclaimers, modifications, and limited warranties" to reflect that any litigation can take place in Pinellas County. Please accept this letter as my written authorization to reflect such change.

If additional communication or clarification is needed, please feel free to reach out to me directly.

All the best,

A handwritten signature in black ink, appearing to read "Fred Cunningham".

Fred Cunningham
Vice President - Operations
Trident Pontoons, Inc.
