**SOD MATERIAL SERVICE OPTONS**

**Option 1:** The Vendor shall provide a finish grade to match the existing field grade and provide minimal hand raking of any delivery equipment tire tracks. The Vendor shall provide, install, and roll new sod to a grade compatible with existing grass and structures. All required watering during the preparation and install phases shall be coordinated with the City. (see page 16, Section 2.3, of the solicitation document).

**Option 2:** The Vendor shall remove all existing grass, weeds and vegetation. Upon removal completion, Vendor shall provide a rough and finish grade within plus or minus (+/-) four inches (4") of the existing sub grade and provide minimal hand raking of any delivery equipment tire tracks. The Vendor shall provide, install and roll new sod to a grade compatible with existing grass and other structures. All required watering during the preparation and install phases shall be coordinated with the City. (see page 16, Section 2.3, of the solicitation document).
