Good Afternoon,

Please see the attached executed JPA Agreement and completed Bid tabulation, including the City of Clearwater Utility Work responsibility, for the official results of the Thursday September 14, 2023 bid opening.

**Cone & Graham, Inc.** is the lowest responsible, responsive bid received with a submitted bid total of \$6,872,093.35, which is 8.10% lower than the Engineer's Estimate total. There were three (3) other vendors that submitted responsive bids.

The City of Clearwater Utility Work responsibility included in the low bid is \$566,171.88. Furthermore, an additional 5% administrative cost to the bid amount, is due to the County at the time of payment, per the JPA. Thus, the City will be responsible for a payment of \$594,480.47 to the County for this Utility Work. Please advise as soon as possible if the City is in agreement and will go forward with using the County's contractor to complete said Utility Work.

Thank you.

Tyler
