Have you served or do you serve on a board in Clearwater? Yes No**If yes, please list the name of the board.**

Why do you wish to serve on this board/committee? If seeking reappointment, state why you should be reappointed.

I am a life- long book nerd and lover of libraries. My first library card opened the doors to a world of knowledge and adventures in a safe space with assistance from librarians, who are just special people. Libraries offer community and connection to all who care to avail themselves of the services offered at their local library. My husband and I had a small business that sold an internet- based research data product (Data-Planet) to libraries all over the United States. I handled the contracts for the sales and went to many ALA conventions and witnessed the wealth of information and technology that librarians use to assist their patrons. These are challenging times for libraries, which also deal on a daily basis with a host of societal problems. I am eager to lend my ideas, passion for learning and interest in community outreach, to enhance how libraries operate now and plan for the future of libraries.

What personal qualifications can you bring to this board or committee?

I bring a combination of skills: leadership, public speaking, managing volunteers, knowledge of municipal and city government which bring value to the board. I use the public libraries in the City of Clearwater and in the surrounding municipalities and have an appreciation of the diverse programs libraries offer to meet the evolving needs of the community.
