Re: RING POWER CORPORATION

To whom it may concern,

Ring Power Corporation is a registered dealer for Caterpillar who is authorized to provide Equipment, Products and Services under Sourcewell Contract number 092222-CAT, as a subcontractor of Caterpillar Inc.

Sourcewell members are authorized to use Sourcewell Contract No. 092222-CAT for purchase of Caterpillar products through our dealership network. Ring Power is the "sole source" for Caterpillar generators, parts, service, computer diagnostic software programs, and android apps, such as, but limited to, Cat ET (Electronic Technician), and Cat Inspect app.

Pricing for this contract is provided at a discount off current year MSRP for the products or services on the contract. For additional information, contact your local distributor.

Sincerely,

Rachel Elsenbrook
