Get Connected. Get Help.™

- 211 provides individuals and families in need with a shortcut through what can be a bewildering maze of health and human service agency phone numbers. By simply dialing 211, those in need of assistance can be referred, and sometimes connected, to appropriate agencies and community organizations.
- Dialing **211 helps** direct callers to services for, among others, **the elderly, the disabled, those** who do not speak English, those with a personal crisis, those with limited reading skills, and those who are new to their communities.

Types of Referrals Offered by 211

- **Basic Human Needs Resources** including food and clothing banks, shelters, rent assistance, and utility assistance.
- **Physical and Mental Health Resources** including health insurance programs, Medicaid and Medicare, maternal health resources, health insurance programs for children, medical information lines, crisis intervention services, support groups, counseling, and drug and alcohol intervention and rehabilitation.
- Work Support including financial assistance, job training, transportation assistance and education programs.
- Access to Services in Non-English Languages including language translation and interpretation services to help non-English-speaking people find public resources (Foreign language services vary by location.)
- Support for Older Americans and Persons with Disabilities including adult day care, community meals, respite care, home health care, transportation and homemaker services.
- **Children, Youth and Family Support** including child care, after-school programs, educational programs for lowincome families, family resource centers, summer camps and recreation programs, mentoring, tutoring and protective services.
