The grass, the view, the small water sprinkler in the pond, and memories of family and friends enjoying a beautiful sunset together! When I visited the jazz fest, I couldn't wait to move here, and I am so happy that Clearwater is my home. My lifelong dream concert is about to become a reality! I am so excited to see our beautiful new Coachman Park, when my favorite band in the whole world, performs at the first concert held at our new venue, on July 24th! When I heard that The Goo Goo Dolls were coming to Clearwater, I was so happy for all of us, and for the band and their team to play in our great city!! It is going to be amazing!! Thank You to everyone that worked so hard in bringing our lil slice of heaven to it's full potential. I can not wait for Opening Day!!		2/28/2023 7:52 PM

694	The free concerts we used to have....like Three Dog Night and Bachman Turner Overdrive. Nothing like the 'bastardization' of this for 'bLast Friday'. Awful and now you charged and pushed attendees out beyond viewing. We want our park back. FREE JAZZ HOLIDAY...no liquor sales so we can go back to bringing our own. It's all been ruined when people didn't understand buying a glass of wine would negate their ability under the law to purchase. Kept hearing, "we run out and just want to buy a glass.". I told them at chamber meeting when I worked there, "if you keep running out and need another glass, just bring another bottle because you will have to purchase it all!". Up went the sloppy fence and searches to enter a fricking park! All for business and nothing for residents, you turned our park into a corporate entity. I want NOTHING TO DO WITH RUTH ECKERD HALL AND I'M TIRED OF GIVING THEM SUBSIDIES! I no longer attend any venue of theirs because of this 'bait and switch' on voters, they were a part of. Again, awful. Enough. Just return it the way it was and forget your 'sales'....and look at all the happy residents. I know that you won't, so I'll just end with 'nice try with the survey'...after you stole our property.	2/24/2023 9:41 AM

## What Do You Want to See in Coachman Park?

57	Really need more to do in downtown and within walking distance. Movie theater, bowling / social club like Splitsville, fun variety of restaurants. It's boring right now so no one wants to go hang there for an evening. If we could open more fun locations, it could be an actual destination. St P has done well with this. Tampa areas like armature works is another good example. We should be doing something like that to elevate the area.	3/5/2023 8:22 AM

107	<b>Parking</b> I am concerned about loud concerts and street parking disrupting the lives of downtown and nearby residential areas. Taxpayers' needs should not be sacrificed to tourists' desires.	3/3/2023 1:58 PM
108	In my opinion having extensively traveled to cities with both successful and unsuccessful park areas- the key is to have a draw (food, entertainment, attraction) to keep interest up and people flowing daily ( not just when there is a concert). The primary focus need to move to obtaining that anchor or it will fail like so many other parks. I thought the gondola to the beach was awesome as it would attract lots of people - but still need to give folks a great reason to go 1-3 times a week.	3/3/2023 1:52 PM

upon hours), so that I can get off my painful feet for awhile. 🙇🙇😓😓

110	<b>Wish there were more Downtown options/restaurants/shops</b> There is no real shopping in the downtown area. People like to shop! Dunedin embraced Pinellas County Trail & the people came. Safety Harbor encouraged walking business & they came. Clearwater treats the trail as an unwanted step child. Unwanted, unconnected & dangerous to be on in Clearwater.	3/3/2023 1:43 PM
111	I don't want the Bridge over Cleveland Street built since it would impact the view from Downtown and serve no real purpose.	3/3/2023 1:26 PM
112	<b>Scientology</b> <b>Wish there were more Downtown options/restaurants/shops</b> Downtown Clearwater is severely lacking appeal in Entertainment & restaurants. We don't need more condos or apartments. Dunedin & St Pete are huge draws locally & nationally. Clearwater has suffered due to the City's dispute with Scientologists. Our downtown needs an Entertainment complex! Movies, shops, arcade, bowling, restaurants regardless of the funding or land owner. Bring us beauty & entertainment.	3/3/2023 1:21 PM
113	Biggest concern is the city's ability to promote events/happenings. I live in the center of downtown and 70% of the I am not aware of an event until I walk outside. The city has had multiple community initiatives for downtown development over the years and I think this has caused a marketing mess because there's more than one website, email list, instagram account, etc. and followers are lost and not sure what's active. they also should be linked together better. Why is myclearwater and downtownclearwater separated if a goal is to boost revenue from tourists jointly?	3/3/2023 1:05 PM

122	<b>Needs to Be A Family-Friendly Park</b> Would love to see a park like downtown St. Petersburg that's got a lot of things for kids to do and climb, maybe even an obstacle course of sorts. We'd be there ALL the time. People go to the St. Pete Pier a lot because there's a park that's kid friendly for any age and ice cream/drinks/food super close and a little splash pad. I'd love to see that here in Clearwater too!	3/3/2023 9:24 AM

149	<b>Needs to Be A Family-Friendly Park</b> family oriented events are very important.	3/2/2023 5:16 PM
150	<b>Homeless</b> <b>Playground Seating</b> <b>Safety</b> <b>Shaded Areas</b> I think every demographic will have different answers to these questions so of course my answers are for mother type demographic. I would love to ensure safety in the park somehow, as well as many places to sit near a playground / splash park, as well as some shade for scorching hot summer days. The only other concern would be that in the past coachman park had a large population of homeless tenants and if that situation recurs, I don't feel the park will be well utilized. So any designs or choices which would make the park not inhabitable over night or for that crowd would be of my top concern.	3/2/2023 4:42 PM

## What Do You Want to See in Coachman Park?

340	I am a 50 year resident of Clearwater and my wedding was in Coachman Park in 1980 so I have very strong ties to this park	2/28/2023 11:18 PM

Why does it take months to a year for a business to open? I don't think Coachman Park is the answer. It will help. Downtown needs to be vibrant. Maybe some container stores with bright colors or patterns, etc. Try some new things. Work around any obstacles. Now is the time to shine. Be the shopping and dining mecca for the beach. 453	<b>Noise/Crowd Control</b> There needs to be a balance between quiet, events in the park and concerts. Stay flexible and adjust as needed for this is all new.	2/28/2023 8:22 AM

I do not want to see a venue operated by "professional" event venue enterprises whose primary motivation is maximizing profitability ... for them. Unfortunately, that appears to be exactly what the citizens of Clearwater are going to be stuck with.	2/27/2023 8:04 AM

558	You write this area has "green space", but most of that has been replaced with concrete walkways. You have to understand, it's better to leave things the way they are many times. How many splash parks do there have to be? The less trees and grass, wild spaces you have, the more your community suffers. Wish the leaders would see this. Not everything is about having the latest this and that. Sigh.	2/23/2023 9:55 AM

631	Homeless Scientology Wish there were more Downtown options/restaurants/shops Well I live on Cleveland street by the new Coachman Park for ten plus years. I have lots of thoughts as I am from Washington DC. seen a lot that can work. You need to remove the homeless... it scares everyone not to mention The Church unfortunately that's not going to change anytime soon... Dunedin has shops many bars restaurants nothing exciting but it's a day out for locals and visitors to walk around and spend a day.	2/22/2023 7:47 PM
632	Questions Transportation Why is there no good bus transportation in Clearwater???? You are not serving an entire population of people who do not drive at night or prefer not to drive distances.	2/22/2023 7:46 PM
633	Noise/Crowd Control I would like to see events/concerts that do NOT attract a rowdy crowd. Curtis Hixon does do a lot of these and my friends avoid the park. This space should be peaceful and encourage respectful attitudes.	2/22/2023 7:39 PM

660	<b>Parking</b> I am a local native Clearwaterian and I am always concerned about parking issues bc there are not many perks for CLW residents. 662	<b>Safety</b> I used to frequent Coachman most days. I felt unsafe too often there and on Cleveland Street. I miss the Dunkin' Donuts store as I would get an iced coffee at a fair price and then head to the water to read before my walk home. So I guess I am looking for food and beverage options that aren't event prices as well as safety. Police on foot would be an excellent idea downtown and on beach.	2/22/2023 6:28 PM

674	<b>Accessability</b> <b>Transportation</b> There are a lot of older folks in the area, many of whom have mobility problems. The slope is very steep going back up to available parking, restaurants. The Capitol Theatre. I suggest that there be trams or shuttles available for those of us who have difficulty walking.	2/22/2023 6:06 PM
675	<b>Access to the Park</b> The park has to be open for the community at all times, not force the community out due to events .	2/22/2023 6:03 PM
676	<b>Parking</b> <b>Transportation</b> I would like to point out that I know parking is going to be an issue sometimes but I think it's not the problem of Coachman Park. I think it's a lack of good public transportation. I plan on taking the jolly trolley to events because it's convenient to me.	2/22/2023 6:03 PM

683	<b>Parking</b> What I want most is for there to be plenty of parking. Enough parking so it appears you truly thought about it. And that there is enough parking for even the biggest event. ## What Do You Want to See in Coachman Park?

696	<b>Safety</b> Trash/Litter/Recycling receptacles must be well designed and maintained. Public toilets accessible and clean. Must be a safe area for women and children - feature some kind of security, in addition to being well-lit in evening hours.	2/22/2023 5:33 PM

705	<b>Parking</b> Just parking. I can't stand the rate increases along the beach for parking. Even with the half-off for residents (it's also a hassle to use that website), parking is frustrating. So, I would hope for this to have easy parking.	2/22/2023 5:23 PM

Also hopefully you find a humane way to help the homeless who currently live in the park or people will be afraid to go there if it's dangerous. ## What Do You Want to See in Coachman Park?

851	<b>Traffic</b> Major concern regarding traffic congestion to / from park and across the causeway toward the beach. So many more vehicles without any improvement in access roads. Will only get worse when two 27-story apartment towers are built on City Hall property. I predict total gridlock on weekends and major event days.	2/22/2023 3:45 PM
852	Yes. Jajaj I am available to coordinate creative activities for the community 🤔👤	2/22/2023 3:45 PM
853	<b>Scientology</b> All the scientology cameras and license plate readers make downtown feel like a police state and we're not comfortable going. Would be better if there was another city venue outside of downtown	2/22/2023 3:45 PM
854	<b>Questions</b> When will Imagine Clearwater be completed? I will enjoy walking through the park quite a lot--will there be any restrictions as to the hours that we will be able to walk along the bluff?	2/22/2023 3:44 PM
855	<b>Transportation</b> Public transportation such as jolley trolley	2/22/2023 3:44 PM
856	<b>Scientology</b> I think the issue at hand and will continue to be even with this transformation and investment is downtown Clearwater. How is the city working collaboratively with Scientology to make Clearwater more appealing. It's a bummer that there are so many vacant properties, random businesses, etc. Clearwater could be like St. Pete and Dunedin!	2/22/2023 3:44 PM
857	<b>Homeless</b> Why do we have a homeless shelter (library) overlooking the intercoastal? What a waste of taxpayer funds. Why don't we get some horse and buggy options for downtown so we can clearly prove we have no idea of how to spend tax payer funds.	2/22/2023 3:44 PM

859	<b>Safety</b> Keeping the park clean and safe.	2/22/2023 3:43 PM
860	<b>Affordability/Event Ticket</b> Concerned about cost to attend Clearwater Jazz Holiday. If tickets are too expensive now I can't come even though I live right by the park. I'm a senior on a fixed income. Maybe have deals for seniors who are local by the park?	2/22/2023 3:43 PM

862	<b>Noise/Crowd Control</b> Noise control - stop concert at 10:00 pm	2/22/2023 3:43 PM
863	<b>Thank You/Excited for the Park</b> I grew up going to Coachman park. Having it back and rejuvenated will be so nice.	2/22/2023 3:43 PM
864	<b>Thank You/Excited for the Park</b> Can't wait for thr Park to open! It's within biking distance of us, so it'll be perfect once our two kids are old enough to do fun activities	2/22/2023 3:42 PM

866	<b>Needs to Be A Family-Friendly Park</b> I'm concerned this park is not actually made for Clearwater families and is more about getting tourist to visit our town for "events". I would like to see our own community set as a priority for this project.	2/22/2023 3:41 PM
867	Please have better options for artists than those currently offered at the Capital Theater or Ruth Eckard Hall.	2/22/2023 3:41 PM
868	<b>"No"</b> No	2/22/2023 3:41 PM
869	<b>Events</b> It would be nice, and I would frequent more often, if there are diverse events/artisans and shows. And, if the children specific areas/events were somewhat separated.	2/22/2023 3:41 PM
870	I hope downtown can become alive again, where all residents and visitors feel welcomed!	2/22/2023 3:41 PM
871	<b>Safety</b> Keep it a safe area.	2/22/2023 3:41 PM
872	<b>Events</b> I'm worried that if too many things are planned, the interest will be diluted and a poor image will result. Start smaller with broad-interest activities that are sure to draw successfully. This will help establish the Park as a "happening" place.	2/22/2023 3:40 PM
873	<b>"No"</b> no	2/22/2023 3:40 PM
874	<b>Events</b> Music selection over the years has not been good. Need more diversity such as Blues, Bluegrass, and especially REGGAE	2/22/2023 3:40 PM
