BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

Participate in hearings that will assist local law enforcement in dealing with local businesses that are repeatedly cited for, and have become magnets for prostitution, illegal drugs, and other criminal activity.

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Yes, I have watched an occasional city board meeting on the city TV station.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

As an educator, I have over 25 years experience working with a diverse community of both parents and students. I have spent the last two years as a member of Pinellas County School's Lead the Learning Cadre assisting with the transition to the Florida Core Standards. I am also a member of my School Based Leadership Team as well as the chairperson for my school's Literacy Team.

4. Why do you want to serve on this Board?

I have lived in the Eastern Gateway District of Clearwater for the past thirteen years, and I would love to become a part of the solution that works to reduce the very visible daily crime in this area. The Eastern Gateway has the potential to be one of Clearwater's shining stars that is safe for both residents and tourists to navigate through rather than avoid.
