1	The proposed projects are off-target and not focused on tax-income generation. Clearwater lives or dies by the beach. Traffic/parking crisis is being shrugged off by the city. Traffic congestion on causeway Rt. 60 stops mobility and sales in west Clearwater (not just tourism). Scientology will forever kill downtown sales so minimize attempts to make it a destination.	1/26/2017 11:51 AM
2	Failure to upgrade Druid Road to 3 lanes.	1/23/2017 11:04 PM
3	taxes simply too high regardless of form	1/19/2017 11:05 AM
4	10 yrs is a long time to lock into it	1/18/2017 2:54 PM
5	Wrong priority	1/15/2017 11:44 PM
6	Municipalities are using penny monies as a slush fund.	1/13/2017 11:08 PM
7	Enough of the extra tax. The City of Clearwater has little or no direction, with the problem of Clearwater Beach/Sand Key paramount. My wife and I have NOT BEEN TO Clearwater Beach in YEARS because there is no goddamn place to park. "Beach by Design was the words joke put out in years. Downtown Clearwater is a Ghost Town compared to Downtown Dunedin. There is where we go. I am considering a run for public office in this City.	1/13/2017 5:09 PM
8	I want to have Druid Road widened. Years ago it was in the plan but "Roberto" took the money for the beach round-about	1/13/2017 11:01 AM
9	It's just another tax! How about cutting back on many frivolous items: welfare, etc. and use the current taxes collected to make capital improvements.	1/13/2017 10:52 AM
10	Your project list appears to be a manufactured list of things to do! It appears you have run out of important projects and want to tackle nice to have items	1/13/2017 10:03 AM
11	I do not see enough benefit to keep paying more taxes.	1/12/2017 11:12 PM
12	Any project in which Kevin Dunbar is involved, parks dept needs proper Engineering review and stop continued shortcuts. City Council does not have a master plan that is inclusive and focuses on upgrading existing infrastructure. Focus on transportation and utilities	1/12/2017 6:54 PM
13	You have very high property tax. That needs to be used, from the schools allotment.	1/12/2017 10:50 AM
14	Already taxed to death living here. Costs are outrageous here. Everything is priced higher here than other States. Why? Your in the sunshine State.	1/12/2017 9:17 AM
15	Most of the revenue collected through taxes is squandered by corrupt politicians. I would seek private investment instead.	1/11/2017 9:10 PM
16	Because I don't value the things that it is spent on, with the exception of road maintenance and storm drains. We do not need a new city hall, nor do we need renovations to Brighthouse field, nor do we need any money spent on Law Enforcement. We should have the neighborhood "traffic calming" taken out in the neighborhoods and downtown. The roundabout on Clearwater Beach is the most terrifying, accident-causing traffic item ever! Why was the workable traffic system replaced with unworkable traffic systems?	1/11/2017 3:00 PM
17	It's another tax	1/11/2017 2:46 PM
18	10 years is too long. I would vote for 5 years.	1/11/2017 12:05 PM
19	Wasted too much money	1/11/2017 10:34 AM
20	I like the projects that this program has supported so far and also like that tourists end up paying for the majority of the tax.	1/11/2017 10:05 AM
21	The money is wasted and abused.	1/11/2017 9:41 AM
22	You have absolutely destroyed the beach that I was a lifeguard at in the 1970s. It's no longer a place desirable for city residents. We get no perks, no parking preference, overloaded by tourists etc. We have a water shortage, you can't handle waste during flooding and you want to build more hotels and condos to strangle the rest of us. Put in underground utilities, fix cracked streets, fix sewers and figure out a way to capture water from rains so it can be used after cleaning. Plus the Church of Scientology has destroyed the once quaint downtown.	1/10/2017 8:50 PM

## Penny for Pinellas Priorities & Attitudes Survey

23	Given the taxes we pay today, I would expect many of the projects covered by P4P to be handled by the existing tax base. Where is all that tax money going? Maybe the current allocations should be reconsidered.	1/10/2017 8:43 PM
24	We, Clearwater residents have been waiting for Clearwater to START the Coachman Park project for years! That is more important than any of the above. Lets really start some action. If this would have been a Church of Scientology project, he would have been done years ago. The city is so....dang slow. Get it moving !	1/10/2017 8:33 PM
25	No	1/10/2017 8:15 PM
26	All the projects seem to be on the beach or geared for tourists and not the locals...widen Sunset Point Road as new access way to Clearwater...maybe downtown would redevelop if you could get there and avoid the traffic congestion to the beach. Like Dunedin with the widening of 580 years ago and moving it away from down town	1/10/2017 6:50 PM
27	this is just an extension of what we already have? i'll vote to keep it going i suppose.. i dont know the exact details of this.. what is taxed is not specified...	1/10/2017 5:07 PM
28	money that goes to police and fire and unnecessary buildings which should be included in tax money but is carved out or disguised as P for P.	1/10/2017 4:34 PM
29	I can't afford it.	1/10/2017 3:08 PM
30	n/a	1/10/2017 2:57 PM
31	Traffic congestion to Clearwater Beach, parking issues at the beach are not addressed, a lot of talk and no action. This is and will have a negative impact on tourism, this is not even an option on proposed projects	1/10/2017 2:51 PM
