JAN 18 2017

OFFICIAL RECORDS AND
LEGISLATIVE SRVCS DEPT.

BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

The board is involved in planning and development matters. The board will oversee public hearings surrounding development applications, and listen to the community's residents about their concerns with zoning and development matters along with ways in which the community can be improved.

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?

Yes

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

As a site civil engineer I have prepared the entitlement applications and construction documents for many clients in many different jurisdictions. I am well versed in the process of land development and I've spent the vast bulk of my career in plans permitting. I have in the last two years ventured into land development myself, and I now have a better understanding of a developer's perspective.

4. Why do you want to serve on this Board?

First and foremost, I care about Clearwater and I want to see it grow and evolve in a well planned and sustainable manner. This is my home town. I was born at Morton Plant Hospital. I want our city embrace growth, but while having a respect for the past and the environment that makes this place so special.

Name: C. Reed Haydon, P.E.
