BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

The roles of a board member varies on what the community seeks. It is to give guidance and advice to businesses and Governments that is non-binding.

2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

___ Yes _____

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I live in the Skycrest Lake community, I have a Master's in Education so I understand that there are many different views culturally and environmentally we need to deal with in our communities. I have taught and substituted in the Clearwater school system. So the community is very important and I want to give back in a way that is different and supportive. I am an artist who would like to see more growth and cultural interest developed by the community and using cultural festivals and events are a way to grow this and that is a world I am very familiar with. I have lived in a variety of cities and communities to reflect on when I have input. _

4. Why do you want to serve on this Board?

I love the area I live in and see myself here long term. I want to become part of something greater than myself and help where I can, by being a part of a board will also give me a better idea of how decisions are made and why. I want to serve my community. _
