The advisory board provides both guidance and leadership relating to the policy and procedures withing the Clearwater Library system. Board members also act as as liaison between the Library System and the Clearwater City Council.

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?

Yes. Over the past 27 years I have attended numerous City Council meetings. I have participated in the 2009 which provided me the opportunity and insight into each of the cities operations and departments.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I am a civic minded, hard working individual and enjoy getting involved and making a difference in my community. My project management background with exceptional organizational, analytical, and relationship building skills have proven success working with all types of personalities and cultures around the world.

4. Why do you want to serve on this Board?

I have had the opportunity to serve on this board the past four years and have enjoyed it very much.

I would love the opportunity to continue to help guide and influence the future of not only the library system but the City of Clearwater.

I am a forward thinker and with the completion of the new Countryside Library and the new East Library under construction there is a bright future for Clearwater and I'd like to be a part of it.
