STATEMENT OF AGREEMENT

In consideration of and in reliance upon the premises, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto intending to be legally bound and in accordance with the Act and Code, agree as follows:

SECTION 1. Recitals. The above recitals are true and correct and are a part of this Agreement.

SECTION 2. Incorporation of the Act. This Agreement is entered into in compliance with and under the authority of the Code and the Act, the terms of which as of the date of this Agreement are incorporated herein by this reference and made a part of this Agreement. Words used in this Agreement without definition that are defined in the Act shall have the same meaning in this Agreement as in the Act.

SECTION 3. Property Subject to this Agreement. The Property described in Exhibit "A" is subject to this Agreement ("Property").

3.1 The Property currently has a land use designation of Resort Facilities High (RFH) and is zoned Tourist (T).

3.2. The Property is owned in fee simple or under contract to be owned in fee simple by the Developer.

3.3 The Property is generally located at 355 S. Gulfview Blvd. and 348 Coronado Dr. as further described in Exhibit "A".

SECTION 4. Scope of Project.

4.1 The Project shall consist of 88 overnight accommodation units including up to 59 overnight accommodation units from the Hotel Density Reserve and have a density no greater than 150 units per acre. In the event that a Termination of Status of Nonconformity with regard to existing density is approved by the City the Developer will return any unit in excess of the otherwise approved 88 units to the Hotel Density Reserve.

4.2 The Project shall include a minimum of 105 parking spaces, as defined in the Code.

4.3 The design of the Project, as represented in Exhibit "B", is consistent with Beach by Design.

4.4 The height of the Project shall be up to 100 feet measured from Base Flood Elevation, as defined in the Code. The maximum building heights of the various character districts cannot be increased to accommodate hotel rooms allocated from the Hotel Density Reserve.

SECTION 5. Effective Date/Duration of this Agreement.

5.1 This Agreement shall not be effective until this Agreement is properly recorded in the public records of Pinellas County, Florida and thirty (30) days have elapsed after transmitting to the Florida Department of Economic Opportunity, pursuant to Florida Statutes section 163.3239 and Code section 4-606.G.2.

5.2 Within fourteen (14) days after the City approves the execution of this Agreement, the City shall record the Agreement with the Clerk of the Circuit Court for Pinellas County. The Developer shall pay the cost of such recording. The City shall submit to the Department of Economic Opportunity a copy of the recorded Agreement within fourteen (14) days after the Agreement is recorded.

5.3 This Agreement shall continue in effect for ten (10) years unless earlier terminated as set forth herein.

SECTION 6. Obligations under this Agreement.

6.1 Obligations of the Developer:

6.1.1 The obligations under this Agreement shall be binding upon and the benefits of this Agreement shall inure to the Developer, its successors in interests or assigns.

6.1.2 At the time of development of the Property, the Developer will submit such applications and documentation as are required by law and shall comply with the Code applicable at the time of building permit review.

6.1.3 The following restrictions shall apply to development of the Property:

6.1.3.1 To retain the grant of Reserve Units provided for herein, the Property and improvements located thereon shall be developed in substantial conformance with the Conceptual Site Plan attached as Exhibit "B". Any modifications determined by the Planning and Development Director as either inconsistent with attached Exhibit "B" or constituting a substantial deviation from attached Exhibit "B" shall require an amendment to this Agreement in accordance with the procedures of the Act and the Code, as necessary and applicable. Any and all such approved and adopted amendments shall be recorded in the public records of Pinellas County, Florida.

6.1.3.2 The Developer shall obtain appropriate site plan approval pursuant to a Level One or Level Two development application within one (1) year from the effective date of this Agreement in accordance with the provisions of the Code, and shall then obtain appropriate permits and certificates of occupancy in accordance with the provisions of the Code. Nothing herein shall restrict Developer from seeking an extension of site plan approval or other development orders pursuant to the Code or state law. In the event that work is not commenced pursuant to issued permits, or certificates of occupancy are not timely issued, the City may deny future development approvals and/or certificates of occupancy for the Project, and may terminate this Agreement in accordance with Section 10.

6.1.3.3 The Developer shall execute, prior to commencement of construction, a mandatory evacuation/closure covenant, substantially in the form of Exhibit "C", stating that the accommodation use will close as soon as practicable after a hurricane watch that includes Clearwater Beach is posted by the National Hurricane Center.

6.1.4 Covenant of Unified Use. Prior to the issuance of the first building permit for the Project, the Developer hereby agrees to execute the covenant of unified use and development for the Project Site providing that the Project Site shall be developed and used as a single project, the form of which covenant is attached as Exhibit "D"; provided however, that nothing shall preclude the Developer from selling all or a portion of the Developer's Property in the event that Developer determines not to construct the Project. It is understood and agreed that, in the event that the Developer enters into the anticipated covenant of unified use and development, and the Developer elects not to construct the Project and notifies the City of its election in writing, and, alternatively, as of the date of expiration, termination or revocation no rights of Developer remain or will be exercised to incorporate the Hotel Density Reserve Units into the Project, the City shall execute and deliver to the Developer a termination of such covenant of unified use and development suitable for recording in the Public Records of Pinellas County, Florida.

6.1.5 Return of Units to Reserve Pool. Any Reserve Units granted to Developer not timely constructed in conjunction with the Project shall be returned to the Hotel Density Reserve and be unavailable to Developer for use on the Project. The Developer anticipates submitting an application to terminate the non-conforming status of the Property. If the Community Development Board (CDB) grants the termination of non-conforming status and the developer meets any conditions associated with such approval by the date indicated by the CDB, then the Developer shall return any units in excess of the otherwise approved 88 units to the Hotel Density Reserve.

6.1.6 Transient Use. A reservation system shall be required as an integral part of the hotel use and there shall be a lobby/front desk area that must be operated as a typical lobby/front desk area for a hotel would be operated. Access to overnight accommodation units must be provided through a lobby and internal corridor. All units in the hotel shall be made available to the public as overnight transient hotel guests at all times through the required hotel reservation system. Occupancy in the hotel is limited to a term of less than one (1) month or thirty-one (31) consecutive days, whichever is less. Units in the hotel shall not be used as a primary or permanent residence.

6.1.7 No Full Kitchens. No unit shall have a complete kitchen facility as that term is used in the definition of “dwelling unit” in the Code.

6.1.8 Inspection of Records. Developer shall make available for inspection to authorized representatives of the City its books and records pertaining to each Hotel Density Reserve unit upon reasonable notice to confirm compliance with these regulations as allowed by general law.

6.1.9 Compliance with Design Guidelines. The Developer agrees to comply with the Design Guidelines as set forth in Section VII. of Beach by Design.

6.1.10 Limitation on Amplified Music. Developer agrees that there shall be no outdoor amplified music at the Project after 11:00 p.m. on Sunday through Thursday, or after 12:00 midnight on Friday and Saturday.

6.1.11 Outdoor Café Area. The Developer agrees to provide for an outdoor café area along Beach Walk generally consistent with “Exhibit B” to provide activity as envisioned by *Beach by Design*.

6.2 Obligations of the City.

6.2.1 The City shall promptly process site and construction plan applications for the Property that are consistent with the Comprehensive Plan and the Concept Plan and that meet the requirements of the Code.

6.2.2 The final effectiveness of the applications referenced in Section 6.2.1 is subject to:

6.2.2.1 The provisions of Chapters 163 and 166, Florida Statutes, as they may govern such amendments; and

6.2.2.2 The expiration of any appeal periods or, if an appeal is filed, at the conclusion of such appeal.

6.2.3 The project shall receive 59 units from the Hotel Density Reserve as defined by Beach by Design. Pursuant to Section 6.1.5, if the Developer obtains approval for and meets all conditions of the Termination of Non-Conforming Status, then the Developer shall return any units in excess of the otherwise approved 88 units to the Hotel Density Reserve. In no way shall this be construed to permit the development density of the Property to exceed 150 units per acre.

6.2.4 The overall number of proposed units density provided for by this Agreement (88 units) is contingent upon the proposed vacation of the 2,195.09 square feet of South Gulfview Boulevard right-of-way within the Beach Walk district. The City shall process a right-of-way vacation ordinance to vacate the 2,195.09 square feet of South Gulfview Blvd. right of way within the Beach Walk district conditioned upon submission of a complete set of building plans for construction of the improvements shown on Exhibit "B". Regardless of whether or not the vacation is granted the maximum permitted density of the property may not exceed 150 units per acre.

SECTION 7. Public Facilities to Service Development. The following public facilities are presently available to the Property from the sources indicated below. Development of the Property will be governed by the concurrency ordinance provisions applicable at the time of development approval. The requirements for concurrency as set forth in Article 4, Division 9, of the Code, have been satisfied.

7.1 Potable water is available from the City. The Developer shall be responsible for all necessary main extensions and applicable connection fees.

7.2 Sewer service is currently provided by the City. The Developer shall be responsible for all necessary main extensions and applicable connection fees.

7.3 Fire protection from the City.

7.4 Drainage facilities for the Property will be provided by the Developer at the Developer's sole expense.

7.5 The Project shall comply with the Metropolitan Planning Organization's [MPO] or its successor's countywide approach to the application of concurrency management for transportation facilities, and the transportation analysis conducted for the Project shall include the following:

- Recognition of standard data sources as established by the MPO;
- Identification of level of service (LOS) standards for state and county roads as established by the MPO;

- Utilization of proportional fair-share requirements consistent with Florida Statutes and the MPO model ordinance;
- Utilization of the MPO Traffic Impact Study Methodology; and
- Recognition of the MPO designation of “Constrained Facilities” as set forth in the most current MPO Annual Level of Service Report.

7.6 All improvements associated with the public facilities identified in Subsections 7.1 through 7.5 shall be completed prior to the issuance of any certificate of occupancy.

7.7 Developer agrees to provide a cashier’s check, a payment and performance bond, or letter of credit in the amount of 115% of the estimated costs of the public facilities and services, to be deposited with the City to secure construction of any new public facilities and services required to be constructed by this Agreement. Such construction shall be completed prior to issuance of a Certificate of Occupancy for the Project.

SECTION 8. Required Local Government Approvals. The required local government development approvals for development of the Property include, without limitation, the following:

8.1 Site plan approval(s) and associated utility licenses, access, and right-of-way utilization permits;

8.2 Construction plan approval(s);

8.3 Building permit(s);

8.4 Certificate(s) of occupancy; and

8.5 Ordinance vacating the 2,195.09 square feet of South Gulfview Blvd. right-of-way within the Beach Walk district as shown on Exhibit “B.”

SECTION 9. Finding of Consistency. The City finds that development of the Property is consistent with the terms this Agreement is consistent with the City Comprehensive Plan and the Code.

SECTION 10. Termination. If the Developer's obligations set forth in this Agreement are not followed in a timely manner, as reasonably determined by the City Manager, after notice to the Developer and an opportunity to be heard, existing permits shall be administratively suspended and issuance of new permits suspended until the Developer has fulfilled its obligations. Failure to timely fulfill its obligations may serve as a basis for termination of this Agreement by the City, at the discretion of the City and after notice to the Developer and an opportunity for the Developer to be heard.

SECTION 11. Other Terms and Conditions. Except in the case of termination, until ten (10) years after the date of this Agreement, the City may apply laws and policies

adopted subsequently to the Effective Date of this Agreement if the City has held a public hearing and determined:

- (a) They are not in conflict with the laws and policies governing the Agreement and do not prevent development of the land uses, intensities, or densities in the Agreement;
- (b) They are essential to the public health, safety, or welfare, and expressly state that they shall apply to a development that is subject to a development agreement;
- (c) They are specifically anticipated and provided for in this Agreement;
- (d) The City demonstrates that substantial changes have occurred in pertinent conditions existing at the time of approval of this Agreement;
or
- (e) This Agreement is based on substantially inaccurate information provided by the Developer

SECTION 12. Compliance with Law. The failure of this Agreement to address any particular permit, condition, term or restriction shall not relieve the Developer from the necessity of complying with the law governing such permitting requirements, conditions, terms or restrictions.

SECTION 13. Notices. Notices and communications required or desired to be given under this Agreement shall be given to the parties by hand delivery, by nationally recognized overnight courier service such as Federal Express, or by certified mail, return receipt requested, addressed as follows (copies as provided below shall be required for proper notice to be given):

COVENANT REGARDING HURRICANE EVACUATION And DEVELOPMENT, USE AND OPERATION DECLARATION OF COVENANTS AND RESTRICTIONS

THIS DECLARATION OF COVENANTS AND RESTRICTIONS ("Declaration") is made as of the ____ day of _____, 2017, by **GULFVIEW LODGING, LLP** ("Developer").

Developer is the owner of fee simple title to the real property described in Schedule 1 attached hereto and made a part hereof (hereinafter, the ("Real Property")). The City of Clearwater, Florida (the "City"), has amended its Comprehensive Plan to designate Clearwater Beach as a Community Redevelopment District pursuant to the Pinellas County Planning Council Rules in order to implement the provisions of Beach by Design, a plan for the revitalization of Clearwater Beach.

The designation of Clearwater Beach as a Community Redevelopment District (the "Designation") provides for the allocation of Hotel Density Reserve Units as an incentive for the development of mid-size quality hotels. Pursuant to the Designation, the allocation of Hotel Density Reserve Units is subject to compliance with a series of performance standards, including a requirement that resorts containing a hotel developed with Hotel Density Reserve Units shall be closed and all Guests evacuated from such hotels as soon as practicable after the National Hurricane Center posts a hurricane watch that includes Clearwater Beach. The purpose of such evacuation is to ensure that such a hotel is evacuated in advance of the period of time when a hurricane evacuation would be expected in advance of the approach of hurricane force winds.

The City has granted, by City Council Resolution _____, passed and approved on _____, 2017, Developer's application for Hotel Density Reserve Units pursuant to the Designation, subject to Developer's compliance with the requirements of the Designation. Developer desires for itself, and its successors and assigns, as owner, to establish certain rights, duties, obligations and responsibilities with respect to the use and operation of the Real Property in accordance with the terms and conditions of the allocation of the Hotel Density Reserve Units to the City and the Designation, which rights, duties, obligations and responsibilities shall be binding on any and all successors and assigns and will run with the title to the Real Property.

THEREFORE, in consideration of the covenants and restrictions herein set forth and to be observed and performed, and in further consideration of the allocation of Hotel Density Reserve Units to Developer, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, Developer hereby declares, covenants and agrees as follows:

1. Benefit and Enforcement. These covenants and restrictions are made for the benefit of Developer and its successors and assigns and shall be enforceable by them and also for

the benefit of the residents of the City and shall be enforceable on behalf of said residents by the City Council of the City.

2. Covenant of Development, Use and Operation. Developer hereby covenants and agrees to the development, use and operation of the Real Property in accordance with the provisions of this Declaration.

2.1 Use. The use of the resort on the Real Property is restricted as follows:

2.1.1 59 units, which is the number of hotel units allocated to Developer from the Hotel Density Reserve, shall be used solely for transient occupancy of one month or thirty (30) consecutive days or less, must be licensed as a public lodging establishment and classified as a hotel, and must be operated by a single licensed operator of the hotel. All other units shall be licensed as a public lodging establishment. No unit shall be used as a primary or permanent residence. Access to overnight accommodation units must be provided through a lobby and internal corridor. A reservation system shall be required as an integral part of the hotel use and there shall be a lobby/front desk area that must be operated as a typical lobby/front desk area for a hotel would be operated. All hotel units shall be required to be submitted to a rental program requiring all hotel units to be available for members of the public as overnight hotel guests on a transient basis at all times. No unit shall have a complete kitchen facility as that term is used in the definition of "dwelling unit" in the Code. Developer shall make available for inspection to authorized representatives of the City its books and records pertaining to each Hotel Density Reserve unit upon reasonable notice to confirm compliance with these regulations as allowed by general law. The Developer agrees to comply with the Design Guidelines as set forth in Section VII. of Beach by Design.

2.1.2 As used herein, the terms "transient occupancy," "public lodging establishment," "hotel", and "operator" shall have the meaning given to such terms in Florida Statutes Chapter 509, Part I.

2.2 Closure of Improvements and Evacuation. The Hotel developed on the Real Property shall be closed as soon as practicable upon the issuance of a hurricane watch by the National Hurricane Center, which hurricane watch includes Clearwater Beach, and all Hotel guests, visitors and employees other than emergency and security personnel required to protect the hotel, shall be evacuated from the Hotel as soon as practicable following the issuance of said hurricane watch. In the event that the National Hurricane Center shall modify the terminology employed to warn of the approach of hurricane force winds, the closure and evacuation provisions of this Declaration shall be governed by the level of warning employed by the National Hurricane Center which precedes the issuance of a forecast of probable landfall in order to ensure that the guests, visitors and employees will be evacuated in advance of the issuance of a forecast of probable landfall.

3 Effective Date. This Declaration shall become effective upon issuance of all building permits required to build the project ("Project") and Developer's commencement of construction of the Project, as evidenced by a Notice of Commencement for the Project. This Declaration shall expire and terminate automatically if and when the allocation of Reserve Units to the Developer expires or is terminated.

4 Governing Law. This Declaration shall be construed in accordance with and governed by the laws of the State of Florida.

5 Recording. This Declaration shall be recorded in the chain of title of the Real Property with the Clerk of the Courts of Pinellas County, Florida.

6 Attorneys' Fees. Developer shall reimburse the City for any expenses, including reasonable attorneys' fees, which are incurred by the City in the event that the City determines that it is necessary and appropriate to seek judicial enforcement of this Declaration and the City obtains relief, whether by agreement of the parties or through order of a court of competent jurisdiction.

7 Severability. If any provision, or part thereof, of this Declaration or the application of this Declaration to any person or circumstance will be or is declared to any extent to be invalid or unenforceable, the remainder of this Declaration, or the application of such provision or portion thereof to any person or circumstance, shall not be affected thereby, and each and every other provision of this Declaration shall be valid and enforceable to the fullest extent permitted by law.

IN WITNESS WHEREOF, Developer has caused this Declaration to be executed this _____ day of _____, 2017.
