SUBJECT: Third Quarter Budget Review - Amended City Manager's Annual Budget Report

DATE: September 6, 2017

Attached is the Third Quarter Budget Review in accordance with the City Code of Ordinances.

The report is based on nine months of activity (October, 2016 through June, 2017) in this fiscal year. The report comments on major variances, as well as documents all proposed amendments.

Significant Fund amendments are outlined below:

General Fund

General Fund revenue and expenditure amendments reflect a net increase of \$1,446,047.

The General Fund expenditure increase at third quarter is primarily due to Council approved appropriations of General Fund reserves which total \$1,365,000, which represents \$815,000 to fund increased costs in the Morningside Recreation Center project; and \$550,000 to fund the Jack Russell Stadium Practice Field Renovations project. Amendments also include a net reduction of \$118,953 to Police and Fire Supplemental Pension to bring the budget in line with actual revenues and expenditures.

In addition, various revenues are amended at third quarter to bring the budget in line with anticipated receipts for the year. This net increase of \$2,161,461 will offset the expenditure increase of \$200,000 in Parks and Recreation to fund the Clearwater Beach Infrastructure Repairs and Improvements project. Adjusted for revenue and expenditure amendments noted here, the net transfer to General Fund reserves is \$596,461.

<u>General Fund Reserves</u> – In order to ensure adequate reserves, the City Council's policy reflects that General Fund unappropriated fund reserves of 8.5% of the City's budgeted General Fund expenditures must be maintained as a reserve to guard against future emergencies.

With the closing of the year-end 2016 books, and the allocation of reserves noted above, estimated General Fund reserves at third quarter are approximately \$26.6 million, or 19.8% of the fiscal year 2017/18 preliminary General Fund budget, exceeding our minimum reserve requirement by \$15.2 million.

Third Quarter Budget Review Fiscal Year 2016-17 City Manager's Transmittal

Significant amendments to other City operating funds are noted as follows.

Parking Fund

Third quarter amendments to Parking Fund expenditures reflect a net increase of \$55,000. Amendments include an increase of \$70,000 in other charges for increased credit card fees, an increase of \$15,000 to contractual services and a decrease of \$30,000 in professional services. Amendments to Parking Fund revenues offset this expenditure increase.

Garage Fund

Budget amendments to Garage Fund expenditures reflect a decrease of \$1,400,000 to fuel purchases due to the lower than anticipated price of gas for the year. Also recognized is an offsetting reduction to garage charges to departments revenue.

Central Insurance Fund

Expenditure amendments in the Central Insurance Fund reflect a decrease of \$2,200,000 to medical insurance claims which represents the savings in claims activity through July.

Capital Improvement Fund

Third quarter amendments to the Capital Improvement Fund reflect a net increase of \$3,820,936. This increase is primarily the result of the following amendments: an increase of \$1,900,000 in grant revenue from the Tourist Development Council in the Countryside Sports Complex Renovation project; an increase of \$250,000 in grant revenue from the Florida Department of Environmental Protection in the Sanitary Sewer Extension project; transfers from General Fund reserves for \$815,000 in the Morningside Recreation Center project, and \$550,000 in the Jack Russell Stadium Practice Field Renovation project; and an increase of \$150,000 in donation revenue from the Tampa Bay Veteran's Alliance in the Crest Lake Park Veterans War Memorial project. All major project budget increases listed above have been previously approved by Council and are summarized on page 20.

Project amendments not previously approved by the Council include, an increase of \$200,000 in General Fund revenues in the Clearwater Beach Infrastructure Repair and Improvements project which is funded from increased umbrella rental revenues. Amendments also include an increase of \$51,035 in intergovernmental revenue from Safety Harbor in the North East Plant Upgrades/Improvements project, and increases totaling \$56,988 in property owner share revenue in Gas projects for Pinellas New Mains-Service Lines and Line Relocation-Pasco which bring the project budgets in line with actual revenues.

Special Program Fund

The Special Program Fund reflects a net budget increase of \$1,427,124 at third quarter. Significant amendments include the recognition of \$372,645 in other governmental revenues from JWB for after school and summer youth programming for fiscal year 2017/18; a total of \$22,911 in donation revenues for Library programs and the Police Department's Crime Prevention program; \$505,665 for the special events and sponsorship program; \$111,677 in fines and court proceeds to support public safety programs and the tree replacement program; and \$414,904 in contractual service revenue for Police Extra Duty and Investigative Cost Recovery.
