Dear Ms. LaCosse,

I am writing to confirm my interest to serve on the Environmental Advisory Board for the City of Clearwater. The materials which I submitted for the City Council's consideration last year are generally correct. However, two updates are necessary:

1. I am no longer serving on the Board of Directors of the Sand Key Civic Association.
2. I will become the President of the Florida Botanical Garden Foundation, Inc. commencing October 1, 2017.

Please let me know if this brief letter to express my continued interest and update pertinent background information is sufficient for the Council's purposes.

Best regards,

John E. Thomas
