SUBJECT: Morningside Tennis Court Lights

CC: Kevin Dunbar, Director of Parks & Recreation; Art Kader, Asst. Director of Parks &
Recreation; Parks & Recreation Board Members

DATE: January 24, 2018

The Parks & Recreation Advisory Board would like to encourage the Clearwater City Council to budget Capital Improvement Project funds for the installation of lights at the Morningside tennis courts.

The Morningside tennis courts were renovated in 2010, during the redesign and renovation the existing lights were removed. Staff anticipates the cost of relighting the tennis courts to be approximately \$100,000. There are currently no funds budgeted for this expenditure.
