1. What is your understanding of the board's duties and responsibilities?

Attend meetings and help to develop guidelines, procedures for public art and make recommendations to the arts council.

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?
no.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I have been a practicing studio artist since 2005 and an arts educator since 2006.

I have a background in both studio art and design, my area of emphasis is ceramics, however I have a vast working knowledge of both 2D and 3D art making.

4. Why do you want to serve on this Board?

As a resident of the city of Clearwater, it would be nice to be actively involved development of public art and art programming for the city of Clearwater.

I have watched St. Petersburg turn into a true arts destination, and would love to see Clearwater become the same.
