BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

I understand that the Neighborhood and Affordable Housing Advisory Board meets once a month to review

monitor and evaluate programs in Clearwater that aim to improve the physical environment and lifestyle

of low to moderate income people. This board makes recommendations to the City Manager and Council.

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?

No, I have not.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

As a public school teacher, I worked to address the needs of a wide variety of students and their

families. I know how critical it is to have a stable home in order to succeed academically. As a Guardian ad Litem,

I work with families who struggle to balance a budget and provide a safe home for their children. Often, they feel stuck

and begin to lose hope that they can ever make strides forward in improving their lives. I know the people who can benefit

from more affordable housing.

4. Why do you want to serve on this Board?

Simply put, I want to help people realize their full potential. I believe affordable housing plays a key

role in maintaining a stable and safe community. When a family can afford to live in a safe home those family members

can focus their energy on their jobs and education. Pride and empowerment as well as lower crime rates, come from

having safe and affordable housing.
