Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. *

The committee of Clearwater residents examines the charter and decide if there is something that is needed to be changed, reworded, kept current with today's world. If a change is possibly appropriate then the Board would bring to the Council a proposal to potentially be added to a vote by the citizens of Clearwater

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. *

☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. *

My utmost qualification is an interest in the City of Clearwater, it's growth, progress and to assure it remains current, vibrant and to utilize all the City has to offer. I am currently serving on a board and have shown an interest in our City by completing the Citizen's Academy, working with and for my HOA and Neighborhood Coalition. I also am participating in the Complete Streets Project and attended the Imagine Clearwater workshops.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. *

I feel that all citizens should be active in their community, not only to serve their City but to remain aware of what is going on in that City. Often people complain but are not prepared to do something, Board participation affords us that opportunity
