Answer 1.*

The duties and responsibilities of the Charter Review Committee is to examine the city's charter and determine what changes, if any, should be proposed and brought before the City voters. The committee's proposed charter changes will be submitted to the City Council for consideration and placement on the March 2020 ballot.

Answer 2.*

☐ Yes ☒ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3.*

In my 40+ years of professional experience I have served with and/or led a number of interdisciplinary committees and groups. I have prepared official documents and filings with federal, state, and local authorities; working closely with legal, technical, financial, and other pertinent subject matter experts. I am familiar with and proficient in meeting procedures for large and small working groups, committees, boards, and community meetings.

Question 4. Why do you want to serve on the Board(s)?

Answer 4.*

Clearwater is my family's home. I want to do my part to help not only keep it a great place to live, but to foster an atmosphere of continuous improvement in all aspects of city life. Local government should be structured to allow it to efficiently encourage and support positive growth and change, not just regulate it.
