Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1.* The board would study and review the current city chart and propose amendments or revisions to it.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2.* ☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3.* I have board experience with the Florida Outdoor Writers Association. I served as Secretary for two years, Second Vice President, First Vice President, President and Chairman of that organization. I am very familiar with Robert's Rules of Order. My Master's Degree in Business and my own business gives me insights with business practices. I am an award-winning writer and have been a Managing Editor for several magazines (including an international magazine in 20 countries and a magazine produced by the Miami Herald), so I can help with rewording and editing.

Question 4. Why do you want to serve on the Board(s)?

Answer 4.* I would like to become more involved in city government. I put my name in to replace the fifth council member and had meetings with the mayor and three council members. They suggested that I get involved with a city board or committee. The Charter Review Committee is of particular interest to me, as it includes revisions and rewording.
