Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1.* I understand that the Charter Review Committee considers and makes recommendations regarding possible changes to the Charter. Any recommendations for changes made by the Committee are placed on the ballot for voters to decide on.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2.* ☐ Yes ☒ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3.* I have an MA and ABD in political science from Rutgers University. I retired from the U.S. Dept. of Transportation after 32 years of service, including 20 years in the Office of the Secretary of Transportation's Office of International Transportation & Trade. I chaired various work groups and served on task forces that addressed cross-border transportation issues, including a White House task force. I am currently a member of my condominium board of directors.

Question 4. Why do you want to serve on the Board(s)?

Answer 4.* I think every resident has an important stake in the future of Clearwater and should be very concerned with the issues that the Charter Review Committee will address and what recommendations they will make for voter consideration. I also think that citizens have an obligation to involve themselves in local government affairs.
