## Questionnaire

**Question 1.** What is your understanding of the duties and responsibilities of the Board(s)?

**Answer 1.** \*

The committee examines the city's charter and determines what changes, if any, should be proposed and brought to voters. Appointments are effective Jan. 17, 2019, and the committee will meet regularly through September. The committee's proposed charter changes will be submitted to the City Council for consideration and placement on the March 2020 ballot.

**Question 2.** Have you ever observed a board meeting either in person or on C-View, the City's TV station?

**Answer 2.** \*

☐ Yes ☒ No

**Question 3.** What background, experience, or education qualifies you to serve on the Board(s)?

**Answer 3.** \*

I have been responsible for strategic planning for multiple growing, successful software companies, as well as business operational planning and execution. Early in my career I worked for a southern Indiana regional planning commission to create a land use map and also co-developed the 20 year recreational plan for the Ohio Department of Natural Resources which was subsequently adopted by the state legislature. I have a Bachelor of Science degree in Urban Planning from Miami University and graduated at the top of this department.

**Question 4.** Why do you want to serve on the Board(s)?

**Answer 4.** \*

I feel a civic obligation to contribute to our community. Downtown Clearwater is woefully underdeveloped relative to its potential. Many other communities in the metropolitan area such as downtown St. Petersburg, Westshore Marina District and Tampa Water Street District have advanced economic development while downtown Clearwater languishes. I would like to try and help change this.
