Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * My understanding of duties and responsibilities of the Charter Review Committee are to discuss and recommend any changes to the charter, and recommend those changes to the city council for review, and possibly put on the ballot for 2020 in March.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * ☐ Yes ☒ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * I actually do not have any experience that qualifies me to serve on the board. However, I'm passionate about the city of Clearwater, in which I reside. I love living in the city, the landscape, the way the town conducts itself, and quite honestly, whether I'm selected or not, that passion will not change. The fact that I'm "new" to the charter review board may give the board that "Breath of fresh air" that a committee may want. I have an open mind, I'm a great listener, and I feel I have a good sense of doing the right thing. I feel that I can be an asset to the committee, and it would be a pleasure to serve the people of Clearwater in this capacity.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * I'd like to serve on the board for multiple reasons. One, is this is a great opportunity for me to serve this community. Every aspect of our government is important, this is a great chance for me to get acclimated with an "entry level" position on this committee. I feel I have the common knowledge needed to be a contributing member of the Charter Review Committee.
On a personal note, when people ask me what made me move to Clearwater, the answer is as simple as "drive west bound on 60, across the Courtney Campbell Causeway, down Gulf to Bay Blvd., into the beautiful city scape of Clearwater, and finally across the bridge which leads you to Clearwater Beach. I feel if you were to do that, nothing else needs to be said. (I'm lucky enough to do this everyday)
Thank you for your consideration.
