Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. *

The Charter Review Committee is appointed by the City Council to examine the City Charter and determine if changes are necessary. The committee makes recommendations to the City Council for adoption to a vote by the citizens.

I am not familiar with The Environmental Advisory Board, but I am looking for a way to use my 35 years of experience to benefit the City of Clearwater.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. *

☐ Yes ☒ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. *

I served on the Planning Commission of Lynnwood, Washington, my previous residence. This gave me an intimate view of city planning and operations of all city departments.

I have 35 years experience with freshwater and marine resources in Alaska and Washington states. Within my career, I have 12 years experience with environmental compliance for transportation projects in Western Washington State. I held the position of Biology Program Manager and oversaw compliance with freshwater and marine aquatic (including wetlands), terrestrial regulations including ESA, NEPA and a range of other federal and state environmental laws.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. *

I have a desire to serve my community and view my greatest opportunities to be on the Charter Review Committee and/or the Environmental Advisory Board.

I'm currently volunteering with the Clearwater Parks and Recreation Department to collect litter from city park waterways.
