Tell us about yourself:

I am a full time Realtor in the Greater Clearwater area. I have lived in the community for over 25 years and raised my family here. I was a member of the chamber of commerce for many years, GFWC Women's Club, am a current member of the Bucks Business Network and currently the Vice President of the Coachman Ridge Home Owner's Association. I have served our neighborhood in a number of capacities over the years and was a member of the committee that established our neighborhood as the city's first NCOD community.

Why would you like to participate:

I have always hoped to have the time to become more involved in the community and I feel that this is the perfect launching point for me to do that. My knowledge as a Realtor can only be enhanced by truly understanding the inner workings of our city.

Major Strengths/Qualifications:

- Long time resident of the community
- I have met and worked with a number of the officials in our community over the years and would like to have a deeper understanding of their positions.
- As a Realtor, I understand some of the challenges that our community faces

How will our community benefit:

Through greater understanding of how our city works, I will be able to help newcomers become good citizens in our community.

Since I am seeking other opportunities to use my skills in the community, this will help to clarify my thinking and ultimately benefit the community by my greater involvement as a volunteer.
