Group R3 buildings, regardless of size, where the work affects the structural components of a building must be designed for compliance to chapter 16, "Structural Loads," by an architect or engineer who shall affix his official seal to said drawings, specifications, and accompanying data, or shall otherwise demonstrate compliance using alternatives approved by the Pinellas County Construction Licensing Board.

Exception: Construction less than \$10,000.00 and not affecting the structural components of the building.

(Ord. No. 5767-95, § 1, 3-16-95)

Note— Replaces Section 104.2.3.

Sec. 47.082. - Moving of buildings.

When moving a building onto a lot within the city, the applicant shall provide a list of names and addresses of all property owners within 250 feet of the proposed site of the building. The building official shall mail a notice of the application to the owners of all properties situated within 250 feet of the subject property. All such notices shall be sent by mail to the last known names and addresses as indicated on the county tax roll. No permit for the moving of any building onto a site within the city limits shall be issued by the building official until the written application has been on file for a minimum period of seven days after filing of such application to allow the building official to give written notice of such application to all property owners within 250 feet of the proposed site.

(Ord. No. 5767-95, § 1, 3-16-95)

Sec. 47.083. - Fees.

- (1) *Prescribed.* The city will issue any permit(s) required by this Code, once all approvals are granted and all fees as required by Appendix A of this Code are paid. Any amendments to the permit will be released once they are approved and any additional fees due to such amendment as required by Appendix A are paid.

EXCEPTION: A temporary permit may be issued for projects which do not require plan review such as roof work, water heater, change-out and air conditioning replacement by facsimile. In that event, the applicant has ten calendar days from the date the temporary permit is issued to make the proper payments and receive the regular permit. If the permit is not paid for within ten days of issuance of the temporary permit, the applicant shall pay a triple or ten times fee as described in appendix A of this Code.

- (2) *Work commencing before permit issuance.* If any person commences any work on a building, structure, or electrical, plumbing, mechanical or gas system before obtaining the necessary permit, he shall be subject to a penalty as provided in appendix A to this Code.
- (3) *Accounting.* The building official shall keep a permanent and accurate accounting of all permit fees and other monies collected, and the names of all persons upon whose account the fees or monies were paid, along with the date and amount thereof.
- (4) *Schedule.* On all buildings, structures, and electrical, plumbing, mechanical and gas systems or alterations requiring a permit, a fee for each permit shall be paid as required at the time of filing application or issuing of permits, in accordance with the schedule in appendix A to this Code.
- (5) *Building permit valuations.* If, in the opinion of the building official, the valuation of building, alteration, structure, or electrical, gas, mechanical or plumbing systems appears to be underestimated on the application, the permit shall be denied, unless the applicant can show detailed estimates to meet the approval of the building official. Permit valuations shall include total cost, such as electrical, gas, mechanical, plumbing equipment and other systems, including materials and labor.

(Ord. No. 5767-95, § 1, 3-16-95; Ord. No. 6145-97, § 1, 6-19-97)

A. *Permit required.*

1. No person shall commence any construction, demolition, modification or renovation of a building or structure without first obtaining a building permit.

4. Complete engineering and architectural plans for each component of a development project shall be required to be submitted prior to the issuance of a building permit. For any phased project, such plans shall be required for each phase of the development.

B. *Procedure:* All applications for building permits shall be submitted in a form required by this Development Code and the building official. Upon receipt of an application, including a declaration of unity of title, in accordance with Article 4 Division 16, the building official shall forward a copy to the community development coordinator in order to determine whether the application conforms to an approved Level One or Level Two approval. Upon receipt of the determination of the community development coordinator, the building official shall determine whether the application conforms to all applicable requirements contained in the building code.
