STATEMENT OF AGREEMENT

In consideration of and in reliance upon the premises, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto intending to be legally bound and in accordance with the Act and Code, agree as follows:

SECTION 1. Recitals. The above recitals are true and correct and are a part of this Agreement.

SECTION 2. Incorporation of the Act. This Agreement is entered into in compliance with and under the authority of the Code and the Act, the terms of which as of the date of this Agreement are incorporated herein by this reference and made a part of this Agreement. Words used in this Agreement without definition that are defined in the Act shall have the same meaning in this Agreement as in the Act.

SECTION 3. Property Subject to this Agreement. The Property described in Exhibit "A" is subject to this Agreement ("Property").

3.1 The Property currently has a land use designation of Resort Facilities High (RFH) and is zoned Tourist (T).

3.2. The Property is owned in fee simple or under contract to be owned in fee simple by the Developer.

3.3 The Property is generally located at 850 Bayway Blvd. as further described in Exhibit "A".

SECTION 4. Scope of Project.

4.1 The Project shall consist of 60 overnight accommodation units including 27 overnight accommodation units from the Hotel Density Reserve and have a density no greater than 150 units per acre.

4.2 The Project shall include a minimum of 80 parking spaces, as defined in the Code.

4.3 The design of the Project, as represented in Exhibit "B", is consistent with Beach by Design.

4.4 The height of the Project shall be up to 80 feet measured from Base Flood Elevation, as defined in the Code. The maximum building heights of the various character districts cannot be increased to accommodate hotel rooms allocated from the Hotel Density Reserve.

SECTION 5. Effective Date/Duration of this Agreement.

5.1 This Agreement shall not be effective until this Agreement is properly recorded in the public records of Pinellas County, Florida and thirty (30) days have elapsed after transmitting to the Florida Department of Economic Opportunity, pursuant to Florida Statutes section 163.3239 and Code section 4-606.G.2.

5.2 Within fourteen (14) days after the City approves the execution of this Agreement, the City shall record the Agreement with the Clerk of the Circuit Court for Pinellas County. The Developer shall pay the cost of such recording. The City shall submit to the Department of Economic Opportunity a copy of the recorded Agreement within fourteen (14) days after the Agreement is recorded.

5.3 This Agreement shall continue in effect for twenty (20) years unless earlier terminated as set forth herein.

SECTION 6. Obligations under this Agreement.

6.1 Obligations of the Developer:

6.1.1 The obligations under this Agreement shall be binding upon and the benefits of this Agreement shall inure to the Developer, its successors in interests or assigns.

6.1.2 At the time of development of the Property, the Developer will submit such applications and documentation as are required by law and shall comply with the Code applicable at the time of building permit review.

6.1.3 The following restrictions shall apply to development of the Property:

6.1.3.1 To retain the grant of Reserve Units provided for herein, the Property and improvements located thereon shall be developed in substantial

conformance with the Conceptual Site Plan attached as Exhibit "B". Any modifications determined by the Planning and Development Director as either inconsistent with attached Exhibit "B" or constituting a substantial deviation from attached Exhibit "B" shall require an amendment to this Agreement in accordance with the procedures of the Act and the Code, as necessary and applicable. Any and all such approved and adopted amendments shall be recorded in the public records of Pinellas County, Florida.

6.1.3.2 The Developer shall obtain appropriate site plan approval pursuant to a Level One or Level Two development application within one (1) year from the effective date of this Agreement in accordance with the provisions of the Code and shall then obtain appropriate permits and certificates of occupancy in accordance with the provisions of the Code. Nothing herein shall restrict Developer from seeking an extension of site plan approval or other development orders pursuant to the Code or state law. In the event that work is not commenced pursuant to issued permits, or certificates of occupancy are not timely issued, the City may deny future development approvals and/or certificates of occupancy for the Project and may terminate this Agreement in accordance with Section 10.

6.1.3.3 The Developer shall execute, prior to commencement of construction, a mandatory evacuation/closure covenant, substantially in the form of Exhibit "C", stating that the accommodation use will close as soon as practicable after a hurricane watch that includes Clearwater Beach is posted by the National Hurricane Center.

6.1.4 Covenant of Unified Use. Prior to the issuance of the first building permit for the Project, the Developer hereby agrees to execute the covenant of unified use and development for the Project Site providing that the Project Site shall be developed and used as a single project, the form of which covenant is attached as Exhibit "D"; provided however, that nothing shall preclude the Developer from selling all or a portion of the Developer's Property in the event that Developer determines not to construct the Project. It is understood and agreed that, in the event that the Developer enters into the anticipated covenant of unified use and development, and the Developer elects not to construct the Project and notifies the City of its election in writing, and, alternatively, as of the date of expiration, termination or revocation no rights of Developer remain or will be exercised to incorporate the Hotel Density Reserve Units into the Project, the City shall execute and deliver to the Developer a termination of such covenant of unified use and development suitable for recording in the Public Records of Pinellas County, Florida.

6.1.5 Return of Units to Reserve. Any Reserve Units granted to Developer not timely constructed in conjunction with the Project shall be returned to the Hotel Density Reserve and be unavailable to Developer for use on the Project.

6.1.6 Transient Use. A reservation system shall be required as an integral part of the hotel use and there shall be a lobby/front desk area that must be operated as a typical lobby/front desk area for a hotel would be operated. Access to overnight accommodation units must be provided through a lobby and internal corridor. All units in the hotel shall be made available to the public as overnight transient hotel guests at all times

through the required hotel reservation system. Occupancy in the hotel is limited to a term of less than one (1) month or thirty-one (31) consecutive days, whichever is less. Units in the hotel shall not be used as a primary or permanent residence.

6.1.7 No Full Kitchens. No unit shall have a complete kitchen facility as that term is used in the definition of “dwelling unit” in the Code.

6.1.8 Inspection of Records. Developer shall make available for inspection to authorized representatives of the City its books and records pertaining to each Hotel Density Reserve unit upon reasonable notice to confirm compliance with these regulations as allowed by general law.

6.1.9 Compliance with Design Guidelines. The Developer agrees to comply with the Design Guidelines as set forth in Section VII. of Beach by Design.

6.1.10 Limitation on Amplified Music. Developer agrees that there shall be no outdoor amplified music at the Project at any time.

6.1.11 Limitation on Bar Service. The Developer agrees that there shall be no indoor or outdoor bar or lounge for the service of alcohol. Alcoholic beverage sales shall be limited to incidental sales of beer and wine only (i.e. cooler sales).

6.1.12 Availability of Parking Spaces. The Developer agrees that none of the on-site parking spaces will be available for sale or lease to the general public and that all parking spaces on the site will be for the sole use of hotel staff and/or guests and/or patrons of the 16-slip marina facility.

6.1.13 Limitation on Restaurant Service. The Developer agrees that there shall be no restaurant use located anywhere on the site at any time with the exception of basic food service such as a typical “Continental Breakfast” or the sale of prepackaged food such as sandwiches and snack for hotel guests only.

6.1.14 Limitation on Marina Facility.

6.1.14.1 The Developer agrees that activities such as servicing, fueling, pumping-out, commercial chartering and/or and dry-storage of boats and boating equipment is strictly prohibited.

6.1.14.2 The Developer agrees that the number of conveyable marina slips shall be limited to no more than 16. The City acknowledges that there are 10 additional marina slips for the sole use of the hotel. The Developer may increase the number of conveyable marina slips only if the Developer increases the number or parking spaces to meet compliance with the Community Development Code.

6.1.14.3 The Developer agrees that any conveyable marina slips shall be limited to sale and/or lease to privately-owned boats rather than commercial vessels for hire.

6.1.14.4 The Developer agrees that a deed restriction outlining Sections 6.1.11.1 through 6.1.11.3 shall be submitted to Staff prior to the issuance of any permits.

6.2 Obligations of the City.

6.2.1 The City shall promptly process site and construction plan applications for the Property that are consistent with the Comprehensive Plan and the Concept Plan and that meet the requirements of the Code.

6.2.2 The final effectiveness of the applications referenced in Section 6.2.1 is subject to:

6.2.2.1 The provisions of Chapters 163 and 166, Florida Statutes, as they may govern such amendments; and

6.2.2.2 The expiration of any appeal periods or, if an appeal is filed, at the conclusion of such appeal.

6.2.3 The project shall receive 27 units from the Hotel Density Reserve as defined by Beach by Design. In no way shall this be construed to permit the development density of the Property to exceed 150 units per acre.

SECTION 7. Public Facilities to Service Development. The following public facilities are presently available to the Property from the sources indicated below. Development of the Property will be governed by the concurrency ordinance provisions applicable at the time of development approval. The requirements for concurrency as set forth in Article 4, Division 9, of the Code, have been satisfied.

7.1 Potable water is available from the City. The Developer shall be responsible for all necessary main extensions and applicable connection fees.

7.2 Sewer service is currently provided by the City. The Developer shall be responsible for all necessary main extensions and applicable connection fees.

7.3 Fire protection from the City.

7.4 Drainage facilities for the Property will be provided by the Developer at the Developer's sole expense.

7.5 The Project shall comply with the Metropolitan Planning Organization's [MPO] or its successor's countywide approach to the application of concurrency management for transportation facilities, and the transportation analysis conducted for the Project shall include the following:

- Recognition of standard data sources as established by the MPO;

- Identification of level of service (LOS) standards for state and county roads as established by the MPO;
- Utilization of proportional fair-share requirements consistent with Florida Statutes and the MPO model ordinance;
- Utilization of the MPO Traffic Impact Study Methodology; and
- Recognition of the MPO designation of “Constrained Facilities” as set forth in the most current MPO Annual Level of Service Report.

7.6 All improvements associated with the public facilities identified in Subsections 7.1 through 7.5 shall be completed prior to the issuance of any certificate of occupancy.

7.7 Developer agrees to provide a cashier’s check, a payment and performance bond, or letter of credit in the amount of 115% of the estimated costs of the public facilities and services, to be deposited with the City to secure construction of any new public facilities and services required to be constructed by this Agreement. Such construction shall be completed prior to issuance of a Certificate of Occupancy for the Project.

SECTION 8. Required Local Government Approvals. The required local government development approvals for development of the Property include, without limitation, the following:

8.1 Site plan approval(s) and associated utility licenses, access, and right-of-way utilization permits;

8.2 Construction plan approval(s);

8.3 Building permit(s);

8.4 Certificate(s) of occupancy; and

SECTION 9. Finding of Consistency. The City finds that development of the Property is consistent with the terms this Agreement is consistent with the City Comprehensive Plan and the Code.

SECTION 10. Termination. If the Developer's obligations set forth in this Agreement are not followed in a timely manner, as reasonably determined by the City Manager, after notice to the Developer and an opportunity to be heard, existing permits shall be administratively suspended, and issuance of new permits suspended until the Developer has fulfilled its obligations. Failure to timely fulfill its obligations may serve as a basis for termination of this Agreement by the City, at the discretion of the City and after notice to the Developer and an opportunity for the Developer to be heard.

SECTION 11. Other Terms and Conditions. Except in the case of termination, until ten (10) years after the date of this Agreement, the City may apply laws and policies adopted subsequently to the Effective Date of this Agreement if the City has held a public hearing and determined:

- (a) They are not in conflict with the laws and policies governing the Agreement and do not prevent development of the land uses, intensities, or densities in the Agreement;
- (b) They are essential to the public health, safety, or welfare, and expressly state that they shall apply to a development that is subject to a development agreement;
- (c) They are specifically anticipated and provided for in this Agreement;
- (d) The City demonstrates that substantial changes have occurred in pertinent conditions existing at the time of approval of this Agreement; or
- (e) This Agreement is based on substantially inaccurate information provided by the Developer

SECTION 12. Compliance with Law. The failure of this Agreement to address any particular permit, condition, term or restriction shall not relieve the Developer from the necessity of complying with the law governing such permitting requirements, conditions, terms or restrictions.

SECTION 13. Notices. Notices and communications required or desired to be given under this Agreement shall be given to the parties by hand delivery, by nationally recognized overnight courier service such as Federal Express, or by certified mail, return receipt requested, addressed as follows (copies as provided below shall be required for proper notice to be given):

14.1.1 Prior to the Commencement Date, the Developer may sell, convey, assign or otherwise dispose of any or all of its right, title, interest and obligations in and to the Project, or any part thereof, only with the prior written notice to the City, provided that such party (hereinafter referred to as the "assignee"), to the extent of the sale, conveyance, assignment or other disposition by the Developer to the assignee, shall be bound by the terms of this Agreement the same as the Developer for such part of the Project as is subject to such sale, conveyance, assignment or other disposition.

14.1.2 If the assignee of the Developer's right, title, interest and obligations in and to the Project, or any part thereof assumes all of the Developer's obligations hereunder for the Project, or that part subject to such sale, conveyance, assignment or other disposition, then the Developer shall be released from all such obligations hereunder which have been so assumed by the assignee, and the City agrees to execute an instrument evidencing such release, which shall be in recordable form.

14.1.3 An assignment of the Project, or any part thereof, by the Developer to any corporation, limited partnership, limited liability company, general partnership, or joint venture, in which the Developer (or an entity under common control with Developer) has either the controlling interest or through a joint venture or other arrangement shares equal management rights and maintains such controlling interest or equal management rights shall not be deemed an assignment or transfer subject to any restriction on or approvals of assignments or transfers imposed by this Agreement, provided, however, that notice of such assignment shall be given by the Developer to the City not less than thirty (30) days prior to such assignment being effective and the assignee shall be bound by the terms of this Agreement to the same extent as would the Developer in the absence of such assignment.

14.2 Successors and Assigns. The terms herein contained shall bind and inure to the benefit of the City, and its successors and assigns, and the Developer and, as applicable to the parties comprising Developer, their personal representatives, trustees, heirs, successors and assigns, except as may otherwise be specifically provided herein.

SECTION 15. Minor Non-Compliance. The Developer will not be deemed to have failed to comply with the terms of this Agreement in the event such noncompliance,

in the judgment of the City Manager, reasonably exercised, is of a minor or inconsequential nature.

SECTION 16. Covenant of Cooperation. The parties shall cooperate with and deal with each other in good faith and assist each other in the performance of the provisions of this Agreement and in achieving the completion of development of the Property.

If any term or provision of this Agreement is susceptible to more than one interpretation, one or more of which render it valid and enforceable, and one or more of which would render it invalid or unenforceable, such term or provision shall be construed in a manner that would render it valid and enforceable.

SECTION 21. Partial Invalidity. If any term or provision of this Agreement or the application thereof to any person or circumstance is declared invalid or unenforceable, the remainder of this Agreement, including any valid portion of the invalid term or provision and the application of such invalid term or provision to circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and shall with the remainder of this Agreement continue unmodified and in full force and effect.
